NEW HOSPITAL UNIT DAMAGED RESULT OF ROOF FIRE

PATIENTS IN NO DANGER AND EXPERIENCE SHOWS THAT SAFETY IS ASSURED

Eucalyptus leaves fired by a spark from the surgical ward wall incinerator burned part of the tar roof from the new hospital unit of the Glendale Sanitarium and Hospital shortly before noon today. C. E. Kimlin, manager of the institution, states that the loss will be inconsequential, although considerable water was poured into the Jackson street side of the one-story building.

All of the patients in the surgical wards were rolled through the wide halls to the outside of the building in less than five minutes from the time a passerby notified Mrs. H. G. Dubois that there was a blaze on the roof. Miss Joy Sweeney, head surgical nurse, endeavored to get the fire department by telephone, but on failing to get a connection ran to the sanitarium building and enlisted the aid of its entire personnel of 100 doctors, nurses and attaches.

No Danger at Any Time

At no time was there any danger, either to the patients or the building itself, as the new hospital is fitted with its own fire hose and fire fighting equipment which was quickly manned by the nurses and others. Today's blaze demonstrated the safety and care assured the patients who seemingly enjoyed being trundled about on the roller beds. Of forty patients and twelve nurses in the building, it was only necessary to remove a small percentage.

So slight was the disturbance that it is stated Dr. O. A. Dietrich continued with an operation which he was performing in the operating room adjacent to the utility room over which the leaves became ignited. The firemen had three streams ready to play on the building in a few minutes after the first call was received from Carrol Hare, a painter, who was working on the C. W. Ingledue residence, 501 East Wilson avenue. He saw the smoke and turned in an alarm immediately.

Shows Need of Main

Fire Chief A. H. Lankford took charge of the situation and City Manager T. W. Watson was present. The latter said: "This shows the need of a 12-inch main on Broadway which we have been wanting to install for some time. This would obviate today's difficulty of having to lay hose for three blocks distant in order not to be pumping from the smaller distributing mains.

"Glendale also is getting to a point where it needs a fire alarm system," he added, in commenting on the fact that the hospital could not get a telephone connection with the fire station readily.

Children at the Intermediate school saw the smoke and many of them believed a fire of some consequence was taking place when literally there isn't a burned board in the building. This afternoon the hospital was continuing its work as usual.

BOARD SETS PRICES ON WATER, LIGHTS OUTSIDE CITY

DETERMINES RATES THAT ARE TO BE CHARGED CONSUMERS ENTITLED TO SERVICE

Prices to be charged by the city of Glendale to consumers legally entitled to be served municipal water and electricity in territory outside the city were determined by the Board of City Trustees in session last night.

The water rates are declared to compare favorably with those fixed in adjacent territory. The electric rates are said to be the same as charged by the Southern California Edison company in this district and authorized by the state railroad commission.

Recently the trustees passed a resolution regarding a policy to be followed in serving water and electricity outside the city limits. Last night the board instructed Hartley Shaw, city attorney, to prepare a written opinion, to be submitted at the next meeting, outlining just what are the legal requirements of outside territory against the city in the matter of service.

The trustees last night established the rates for outside territory on the

(Continued on Page 12.)

Reel Life Story; Shoots His Brother And Makes Comedy

What would you think of a fellow who "shoots" his brother?

That's the question that James B. Melton of the Astra Studio publicity department is "shooting" at the American public in his stories of the latest Mermaid comedy called "Grief."

And it happened in Glendale.

Ray Adams "shot" his brother Jimmie with the movie camera for the latter is the star and the former chief cameraman of the comedy company.

The studio is arranging to start the first of a new series of Mermaid comedies next week, according to A. T. Dobson, manager.

Unusual Program For Visiting Women's Union

The Women's Union of the Glendale Baptist church, fifty in number, journeyed to Atherton Villa, Burbank, yesterday, taking their lunches with them. This was their regular monthly all-day meeting. Atherton Villa is a home for ministers and missionaries. The people of the Villa put on the program and decorated the large hall with ropes of pepper boughs. The tables, from which the dinner was served cafeteria style, were decorated with bouquets of red roses. In the afternoon a delightful program was enjoyed. Mrs. Hoffner of Atherton Villa, and who is over 80 years of age, played several instrumental selections and also accompanied six of the ladies of the Villa, who rendered vocal selections.

Miss Abigal Johnson, who has been working among the Hopi Indians in Arizona and is at Atherton Villa on a furlough, sang to her own accompaniment on the guitar some Hopi songs in that language. She leaves today for her work in Arizona. Miss Ida Scofield, who started the work among the Mono Indians in the mountains around Fresno, and is now making her home at the Villa, gave an interesting talk and showed many curios of the Indians' basket work, rugs, and so forth. She sang a song with Miss Johnson in the Mono language. Miss Scofield then sang a song in the Comanche language. Mr. and Mrs. F. J. Bradshaw and children, who are at the Villa from western China on a furlough, also entertained those present. Mr. Bradshaw and children were dressed in Chinese costumes. The two children sang songs in Chinese.

Mr. Bradshaw gave an interesting talk on "Current Events in China," dwelling particularly on the famine there. He also told of his work among the students of China. The program had been arranged by and was in charge of Mrs. Ballantyne of Atherton Villa. Mrs. E. E. Ford is the new president of the Glendale Women's Union and the meeting yesterday was the first over which she presided.

Inaugural Ball Will Be Given By Elks

One of the biggest affairs of the Elks" social season will be given tomorrow night, the inaugural ball, in honor of the new officers of the lodge who have just been installed. They are Alfred F. Priest, exalted ruler; Arthur H. Dibbern, esteemed leading knight; James A. Apffel, esteemed loyal knight; Earl S. Patterson, esteemed lecturing knight; H. W. Nelson, treasurer; W. M. Kimball, secretary; Walter Jones, inner guard; Frank K. Lowe, tiler; G. A. Dockeray, esquire; James F. McBryde, chaplain; Harry R. Goodwin, organist; Harry E. White, trustee.

Elaborate arrangements have been planned for the success of the evening by the committee in charge: Joe E. Bellue, chairman; Jack Hearnshaw, Harry Whaley, Bob Jensen, E. P. Hayward, W. B. Kelly. The hall will be decorated in purple and white tissue paper festoons. Clever programs have been prepared. Everything is to be carried out in the Elks' colors, purple and white. Between the eighth and ninth dances refreshments will be served in the banquet room, and will consist of white and purple ice cream and French pastries. Music will be furnished by Henning's five-piece orchestra. Some unusual favors will be given out. This dance is to be exclusively for Elks and their ladies, and promises to be one of the most successful social events of the season.

RUTH MORTON SERIOUSLY ILL

The many young friends of Miss Ruth Morton, daughter of Mr. and Mrs. Guy Morton of North Isabel street will be pained to know that Miss Ruth was taken suddenly ill, and her father brought her home on Thursday from the University of Southern California where she is attending school. Her friends are hoping for her quick recovery.

CITY MAY PURCHASE VERDUGO CANYON WATER RIGHTS

TRUSTEES FAVOR ENTERING INTO NEGOTIATIONS WITH COMPANY DIRECTORS

Purchase of that portion of the property of the Verdugo Canyon Water company of value to the city of Glendale is favored by the Board of City Trustees, it was indicated at the board's meeting last night.

Acting on a communication from T. W. Watson, city manager, the board authorized the first step toward securing that portion of the company's holdings deemed necessary to the city's needs.

"I think it a wise move," was the comment of Trustee Robinson.

"I am of the same mind," said Trustee Henry.

On motion of Trustee Lapham, the recommendation of the city manager was ordered carried out. The city manager's communication follows in full:

"For the past thirty-five years or more the Verdugo Canyon Water company has had charge of collecting the surface flow of the west side streams in Verdugo Canyon and delivering the same to the several distribution companies in accordance with their respective interests.

City Largest Owner

"The city of Glendale by the purchase of several of these distribution systems and the larger portion of the Verdugo Canyon water that was distributed thereby has become the largest owner of the waters of the west side streams of Verdugo Canyon. In discussing the present and future situation in Verdugo Canyon looking toward the time when the city's development works as proposed there will be completed, the directors of the Verdugo Canyon Water company have considered that the gathering and distributing of all the waters of Verdugo Canyon could then be best done through the agency of the city and that there would then be no further need of maintaining the organization of the Verdugo Canyon Water company and that the city might consider a proposition to purchase such of the property of that company as may be of value to the city.

Recommendation Made

"To that end we would respectfully recommend that the city representatives on the board of directors of the Verdugo Canyon Water company be instructed to vote in favor of the appointment of a board of three to appraise the property of the Verdugo Canyon Water Company; one member to be appointed by the directors of the Verdugo Canyon Water company, directors representing the city not voting, one member to be appointed by your board and these two to appoint a third."

C. W. Ingledue Called To Chicago Conference

C. W. Ingledue left for Chicago a few days ago, where he was called by the large packing houses to confer with him relative to securing control of his copyrighted "Dressed Beef Chart." It required years of hard study and painstaking experiments for Mr. Ingledue to complete his chart, which is the most comprehensive and complete of anything yet attempted in that line. At a glance it computes the number of pounds in each of the various portions or cuts that go to make up the carcass. It also shows at a glance the cost per pound of the different cuts and gives the selling price at which certain percentages of profit can be realized.

The chart is as accurate as any computing scale and will save much time for the meat cutter in his efforts to intelligently price the different portions of the beef. Mr. Ingledue expects to return in about ten days.

Country Fair To Be Given By C. E. Society

The Christian Endeavor society of the First Christian church will conduct a "Countree Fair" tonight in the bungalow adjoining the church. The members will dress in old clothes and propose to show what good "Jackettes" or "Farmerettes" they can make. A jolly good time is anticipated.

Picnic Supper Given For Methodist Choir

Members of the choir of the First Methodist church enjoyed a picnic supper Thursday night in the social hall of the church, after which they went in a body to the Brown tabernacle for rehearsal.

REPORTS ARE MADE BY OFFICERS OF P. E. O. SESSION

CALIFORNIA LEADS IN NEW CHAPTERS; PROGRAM IS GREATLY ENJOYED

Reports of state officers were heard at yesterday's session of the P. E. O. convention in Burbank. The report of the state organizer, Mrs. Ollie P. Cramer, showed that California was far ahead of any other state in the organization of new chapters, this state having organized nine during the past year, whereas the next highest number organized by any other state was four. Mrs. Cramer, as organizer, has traveled nearly 5000 miles in her official work. Mrs. Helen D. Townsend, supreme president, gave a most interesting address.

Fund to Help Girls

Mrs. Patience Beatty, supreme recording secretary who is at the head of the educational fund, which is the monument of the P. E. O., showed the work to be in splendid condition, so far as loaning money to girls is concerned. This fund is for the purpose of helping girls receive their education, whether it be college or vocational training. Over $100,000 has been loaned for this purpose. The nucleus of this fund was formed from the $100 which was left from the money which had been appropriated by the P. E. O. sisterhood for their position at the St. Louis fair. California contributed over $1000 towards this fund the past year. Each chapter is supposed to give $1 per capita each year.

Past presidents from Colorado, Iowa, Missouri and Illinois, who are now residents of California, were present at the convention yesterday.

Mrs. A. W. Tower Honored

Fifteen P. E. O. members were presented with certificates of recognition for their work in the sisterhood, and for having filled all seven of the offices. Mrs. A. W. Tower, delegate to the convention from Chapter L of Glendale, and who has worked faithfully for nine years with the local chapters, was one of the fifteen to receive this certificate of merit.

Many of the members of the newly-formed Chapter CJ of Glendale were in attendance yesterday and showed much enthusiasm in the proceedings.

Those who were fortunate enough to attend the entertainment given last night are unanimous in the opinion that it was the finest they had ever enjoyed. Burbank Chapter U spared no pains or expense in making this program a success.

Several Glendale artists, including Mrs. Catherine Shank, soprano; and little Margot Buxton, fancy dancer.

(Continued on Page 3)

Domestic Science Is Urged By Instructor

A very interesting meeting of the Pacific Avenue Parent-Teacher association was held yesterday afternoon, Mrs. P. O. Lucas, president, in the chair. Miss Cymbel Tayler, domestic science teacher of the Intermediate school gave an interesting talk, urging the mothers to encourage their daughters to take domestic science, as they are the future mothers, and could not start too soon with their training. She also invited the mothers to visit this department of the school. Mrs. C. S. Jewsbury entertained the ladies by reading "The Inventor's Wife." Delegates were appointed to go to the district convention to be held in Los Angeles April 28 and 29, at the Walker auditorium.

Among the ladies present were Mrs. Grover Adams, Mrs. Gordon Keely, Mrs. J. F. Tatlow, Mrs. S. H. Waller, Mrs. Pierson Hanning, Mrs. George Moore, Mrs. Ross Russell, Mrs. Wm. Halsted, Mrs. McMullen, Mrs. Leslie Tronsier, Mrs. Crisman, Mrs. Farlander, Mrs. P. O. Lucas Mrs. Mae Rosenburger, Mrs. Walter Pierce and Mrs. Glascott. After the business meeting the ladies adjourned to the court where tea and cakes were served.

James A. Newton Is Selected As Delegate

The Presbyterian Presbytery of Los Angeles has been holding its spring meeting the past three days at the Second Presbyterian church in Los Angeles. The Glendale congregation was represented at this meeting by Elder J. E. Colvin and the pastors, Revs. W. E. Edmonds and Louis Tinning. A signal honor came at this gathering when Elder James A. Newton, of Glendale, was unanimously selected as one of the delegates to the General Assembly of the Presbyterian church which meets at Winona Lake, Indiana, in May.

Today's World News In Brief

(By United Press to Glendale Evening News)

CHESS CHALLENGER SECURES THREE VICTORIES SO FAR

HAVANA, April 15.—Joe Capablanca, black-haired challenger of Emmanuel Lasker, the gray chess champion, today had three of the necessary victories to claim the championship. With a brilliant attack last night, Capablanca forced Lasker's resignation at the forty-eighth move.

PLANT OF FIREWORKS COMPANY TOTALLY DESTROYED

RANDOLPH, Mass., April 15.—With a series of explosions of heavy powder charges and a crackle of fireworks, the plant of the United States Fireworks company was practically destroyed here today. Occupants of nearby homes were thrown from their beds by the heavy blast. The loss was estimated at $85,000. The bombardment was so severe that windows within a mile radius were broken.

CONFERENCE TO BE HELD ON SITUATION IN MEXICO

WASHINGTON, April 15.—George T. Summerlin, charge of the American embassy in Mexico City, has been ordered to Washington for consultation with Secretary of State Hughes and under-Secretary Fletcher on the Mexican situation, it was announced at the state department today. The conferences with Summerlin will be the first important step in the framing of a definite Mexican policy by the Harding administration.

JAPANESE FOREIGN OFFICE FAVORS REPLY TO AMERICA

TOKIO, April 15.—The Japanese foreign office favors a joint reply by Japan, France and England to the American note on the Yap mandate, but fears that England and France will not support the position of Japan, according to the newspaper Hochi. The paper said the foreign office takes the view that a complete communication system is an important fruit of the war and therefore will not consider any plan for international administration of Yap.

NO OPPOSITION TO APPOINTMENT OF GEORGE HARVEY

WASHINGTON, April 15.—Confirmation of George Harvey as United States ambassador to London and Myron T. Herrick to Paris, was recommended today by the senate foreign relations committee. No opposition to either was manifested by Democratic committee members, some of whom had indicated a disposition to oppose Harvey. Senator Lodge hopes to have both confirmed today. They are the first important diplomatic appointments made by President Harding.

VINEYARDS ARE DAMAGED AS RESULT OF HEAVY FROST

HANFORD, April 15.—Kings county vineyards seem to have suffered about a 25 per cent loss in the killing frosts of yesterday morning, according to investigations made by Horticultural Commissioner Haupt who concluded his tour of inspection last night. Up to Wednesday night the damage to grapes and all fruits in this county had been practically nil. It would appear the injury is more severe in certain localities than in others and some vineyards will produce well in spots, while being denuded of fruit in others.

TRIPLE ALLIANCE STRIKE IS CALLED OFF, ANNOUNCED

LONDON, April 15.—The triple alliance strike set for tonight has been called off, it was officially announced today. This announcement followed Premier Lloyd George's statement in commons that the striking miners had renewed their original demands. This was taken to mean at first that efforts to effect a settlement had failed. The official announcement came a short time afterwards. It was stated that the cancellation of the general strike order was due to the fact that leaders of the triple alliance believed the miners were wrong in refusing to re-open negotiations for settlement of their strike.

BANDIT KILLED, POLICEMEN SHOT, 3 ROBBERS CAUGHT

CHICAGO, April 15.—One bandit was killed, a policeman shot and three robbers captured when five men attempted to hold up the Cicero State Bank at Cicero, Ill., a Chicago suburb, today. The money taken from the bank was recovered. The five men drove up to the bank in an automobile about 9:30 a. m. Four bandits entered the bank, covered four employes with revolvers, swept all cash in sight into bags and started returning to the automobile. S. B. Witeska, cashier of the bank, proved his courage when he followed the bandits and started a revolver battle before the robbers entered the auto. The chauffeur, left sitting in the machine, started the auto and fled, leaving his pals. Witeska's shots killed one bandit. He held the other three off until reinforcements arrived from the town hall police station nearby, and the remaining robbers were captured. One policeman was shot but not seriously wounded in the fight.

BANDITS ESCAPE WITH $638,000 IN NEGOTIABLE CHECKS

CHICAGO, April 15.—Four bandits held up two messengers for the Chicago clearing house today and escaped with $638,000 in negotiable checks. The two messengers left the clearing house offices at 9 a. m. to carry the checks to outlying banks. They boarded an Illinois Central suburban train at Van Buren street, planning to go first to the Woodlawn Trust company. The bandits, who apparently had followed them from the clearing house offices, boarded the train immediately after the messengers. When the train reached Twentieth street, all four bandits pulled revolvers, two covering the five passengers and the other two covered the messengers. The satchels containing the checks were snached from the messengers' hands. The conductor entered the car and the bandits ordered him to stop the train immediately As the brakes were applied and the wheels of the train ground to a stop, the bandits leaped from the train, jumped over a fence and hailed a passing taxi. One of the passengers attempted to follow the bandits, but he gave up the chase when one of them emptied his revolver as he boarded the automobile. The messengers were Eugene Oldenwald, sixteen, and Edward Sundenmacher, eighteen. Officials of the clearing house said that all checks were signed by the Chicago Clearing House and could be cashed at any bank unless officials had been informed of the robbery. Word of the holdup was broadcasted throughout the country and warning issued to banks not to cash the checks.

OVER 1200 PERSONS COME HERE SINCE FIRST OF YEAR

POPULATION OF CITY IS NOW ABOUT 18,000, ESTIMATE OF J. F. M'INTYRE

Indicating that 1200 or more people have come to reside in Glendale since the first of January, 1921, comparative figures made public today by J. F. McIntyre, commercial agent of the public service department at the city hall, shows that there is not the slightest recession in the wonderful growth of this city.

That the population of the city is now 18,000 persons can't be doubted when it is learned that there are a total of 6,709 accounts on the commercial department's books as compared with 6,304 on January 1 and 6,004 on October 1, 1920.

All Demands Met

This shows 705 new customers in a six-month period ending March 1, all of whose demands have been met by the public service department without the least impairment of service.

On the basis that each new customer means three more residents—and this is a conservative average, according to Mr. McIntyre—there have been more than 2000 people added to the population. This is the reason that building here is booming and at the present rate of growth there will be more than 50,000 people domiciled in Glendale by 1930.

FIRE DISTRICTS OF CITY ARE FIXED BY TRUSTEES

FINAL DECISION MADE AND ORDINANCE TO COME UP THURSDAY NIGHT

Further revisions were made by the Board of City Trustees in session last night in the tentative draft of the proposed ordinance creating new fire districts throughout the city of Glendale, with the result that Hartley Shaw, city attorney, was instructed to prepare an ordinance that will, it is expected, be presented at the meeting next Thursday night for first reading.

At the meeting a week ago several changes in the tentative draft were suggested and these were favorably acted upon last night. This revision effects Fire District No. 1 as proposed providing that the first four lots on either side of Glendale avenue north of Harvard street be included in Fire District No. 1 to a depth of fifty feet only and that the lots fronting on Central avenue included in Fire District No. 1 be included to a depth of 100 feet only. In the original report these lots were included the full depth.

As the proposed districts now stand in the contemplated ordinance the following is an outline:

Fire District No. 1.—Shall include all lots and parcels of land fronting on Brand boulevard between California street and Maple street, on Broadway between Central avenue and Everett street, on Glendale avenue between Harvard street and Wilson avenue, provided that first four lots on either side of Glendale avenue north of Harvard street shall be included to a depth of fifty feet only, on west side of Maryland avenue between Harvard street and Wilson avenue, on Central avenue between Colorado street and Broadway, except that lots fronting on Central avenue shall be included to a depth of one hundred feet only, on Colorado street between Central avenue and Glendale avenue, on east side of

(Continued on Page 12.)

Rev. and Mrs. Norton Hosts To Old Friend

Rev. and Mrs. C. R. Norton of 801 East Wilson avenue had as their guest on Thursday Levi Moss, formerly of Muscatine, Iowa, but more recently of Sawtelle. Mr. Moss and Rev. Norton were comrades during the civil war and when these two "boys" get together they never tire exchanging experiences reminiscent of war days.

Preparatory for the Brown Evangelistic Singers from the various Glendale churches held their first rehearsal Thursday night at the tabernacle. When completed the large choir will have no less than 500 voices.

Locals And Personals

Mr. and Mrs. Robert Kunz of Chicago were guests recently of Mr. and Mrs. J. H. Hearnshaw of 358 West Lomita avenue.

A. M. French was a visitor in the Verdugo Woodlands section yesterday, renewing acquaintances he made while a resident there.

H. L. Hock of 612 East Orange Grove avenue left yesterday on an extended visit in Iowa, Minnesota and North Dakota.

Mrs. E. W. Evans of 1214 South Mariposa street attended the shower at the Orphans Home, Los Angeles, yesterday.

Mrs. P. L. Stratton of 1021 South Adams street will have as her guests Sunday Mr. and Mrs. Olin Townsend and little son Robert of Los Angeles.

Mrs. Emma Johnston of Winnipeg, Canada, is visiting her parents, Mr. and Mrs. J. A. Brock of Hermosito Drive and El Rito avenue in Verdugo Woodlands this week.

Mr. and Mrs. C. D. Hellyer of 365 West Milford street had as their guest yesterday and over night Mrs. Hellyer's father, John Dodge, of Los Angeles.

Lieutenant J. G. Farrell of the U. S. N. is visiting his family at 435 West Patterson avenue for two weeks prior to leaving for Honolulu, where he has been appointed as executive officer of Pearl Harbor.

Mrs. Laura P. Joyce of Los Angeles, past state P. E. O. president, who is attending the convention at Burbank, is the guest for the week of her sister, Mrs. A. M. Williams of 208 South Orange street.

Mrs. John Fanset of 1006 East Harvard street entertained at an informal afternoon at her home yesterday Mrs. R. D. Angelica, Mrs. Jack West, Mrs. Walter Jones, Mrs. Bert Ward, Mrs. Ed Wolbach, Mrs. Ray Goode, Mrs. J. A. Endicott and Mrs. Jesse Smith. Refreshments were served.

Mr. and Mrs. J. F. Payne, who recently came to Glendale from Salem, Ore., and are stopping at Hotel Gray, have taken temporary quarters at 711 East Colorado boulevard until their new home in Capistrano avenue, Verdugo Woodlands, is ready for occupancy. The foundation was laid yesterday.

An all-day meeting of the Women's Guild of St. Mark's church was held yesterday in the social hall of the church. The morning was devoted to fancy work. At noon a picnic lunch was enjoyed. Yesterday was guests' day and in the afternoon, after a short business session presided over by Mrs. B. O. Holbrook, a musical program was enjoyed. Mrs. J. W. Cotton was soloist and rendered several splendid selections, accompanied by Miss Gertrude Champiain at the piano. The guests present included Mrs. H. T. Lockwood, Mrs. F. Dobert, Mrs. C. Vogel, Mrs. A. A. Bassett, Mrs. H. Salisbury, Mrs. F. A. Beach and Mrs. John Cotton. There were about 35 present. Refreshments were served following the entertainment. The Guild plans to have all-day meetings every Thursday.

Locals And Personals

Mrs. W. W. Worley of 341 North Jackson street, who was quite painfully burned the early part of the week, is getting along nicely.

George Roach of 459 West Milford street reported to the police last night that his bicycle had been stolen from the Glendale Union High school campus.

Firemen from station No. 1 were called last evening to Glendale and Wilson avenues to extinguish flames caused by crossed wires on a motor-car driven by Miss Gladys Allewelt of 331 West Lexington Drive.

A. E. Swaner, brother of J. M. Swaner of 452 West Milford street, who has been making his home in Glendale for the past six months, left Sunday for Coalinga, where he will be employed in the oil fields.

Mr. and Mrs. Frank R. Thomas returned to Glendale yesterday, after an absence of a year, which time they spent on their ranch at Lankershim, and are now located at 214 West Laurel street.

James C. Wright succeeds JJames C. Knight as engineer inspector on the city's new reservoir construction work on Verdugo Road, the latter going to Beaumont where he will take charge of construction work of the Beaumont irrigation district for which H. B. Lynch of this city is consulting engineer.

The Mothers' Club of the Acacia avenue school met yesterday at the home of Mrs. D. B. Edwards, 521 East Acacia avenue. The afternoon was spent in sewing on aprons for the apron booth which this club is to have at the May festival to be given by the Federation of Parent-Teacher associations.

Rev. and Mrs. C. R. Norton of 801 East Wilson avenue entertained on Wednesday Dr. and Mrs. Ray Day of Moravia, Iowa. Not only are the two families old friends but Dr. Ray was for many years their family physician while the Nortons were living in the east.

Tomorrow afternoon the Glendale board of trustees will accompany H. B. Lynch, consulting engineer, on a tour of inspection of the city's water system including the new reservoirs now under construction and other improvements being made or to be made under the recent bond issue. Already this work has been described in the columns of The Glendale Evening News.

Moves and requests for new electric meter installations registered at the public service department yesterday were as follows: A. S. Funk, from 412 East Harvard street to Nampa, Idaho; W. C. Minger from 347 West Palmer to Los Angeles; H. G. Brucker from 115 East Park to 1030 South Brand; J. W. Duncan from 515 West California to 461 W. California; A. M. Rider from 1139 East Maple to 449 Vine; C. H. Henry from 1028½ South Brand to Los Angeles; Wm. Platt from 204½ South Orange to 129 South Brand; Clark Realty company from 205 North Brand to 430 Milford; F. P. Wall 116 East Dryden; Mrs. W. Roberts, 617 East Elk; J. E. Peters, 449 West Lexington; Valley Supply company, 145 North Maryland.

Mr. and Mrs. Arthur Wells of 462 Burchett street are leaving for a tour of the chautauqua circuit with Ellison & White. They contemplate returning next September. Mr. and Mrs. Wells, it will be remembered, had some very beautiful saxophones on display in the windows of the Glendale Phonograph & Piano company. These were of gold and are the ones to be used by Mr. and Mrs. Wells during their tour.

Mrs. J. E. Osborne and mother, Mrs. S. J. Farrow, of 210 West Doran street, will entertain with a dinner party this evening in honor of Mrs. Ida Eckel and Mrs. Clara Robinson of Denver, Colorado. Covers were laid for Mrs. Eckel, Mrs. Robinson, Roy Ruby of Chicago, Dr. and Mrs. C. G. Farrow, C. G. Farrow, Jr., Alliece Farrow, Virginia Farrow and the hostesses. Gold of Ophir roses will form the table decorations. Tomorrow a motor party to Fullerton will be enjoyed by these guests. At that city they will visit Mr. and Mrs. W. E. Gennette, who is a sister of Mrs. Eckel.

DIVIDES HIS SALARY

Town Treasurer Robert A. Fatjo of San Jose recently divided his quarterly salary as treasurer, amounting to $856.90 among the Santa Clara Women's club, the fire department, the public library and the chamber of commerce.

It Pays—

You Need It in Your Business
You Need It in Your Family
You Need It in Society

A special series of seven entertaining and interesting lectures open to everybody, will be given in the rooms of the Glendale Commercial School by a noted vocational expert and character analyst.

H. L. Miller Company Is Chosen For Agent

H. L. Miller company of 109 South Brand boulevard have taken the Glendale agency for the B. and B. Oil Associates, a concern which is selling shares in oil leases in Conejo Camarillo field in Ventura county. They are putting down four wells at present without expense to those investing until production is obtained, according to Mr. Miller. The pool is at a shallow depth, wells getting an average flow of 30 barrels daily at about 70 feet, he states, and the acreage controlled by the B. and B. concern is in the center of great activity. Already the casing has been set on the first well on their leases.

Prohibition Fight In Congress Now Certain

WASHINGTON, D. C., April 15.—The battle to bring back beer and light wines will be fought to a finish in this congress, it was declared by both wets and drys today. The fight will come to a head in the house as soon as the tariff and taxation program can be cleared aside.

Preliminary preparations for the clash were commenced today by the drys, whose ranks were bombarded by a new member from Maryland, Representative John Philip Hill of Baltimore, who unexpectedly tossed in a bill to repeal the Volstead act.

Tomorrow LAST DAY!

MRS. GABLE
Will Demonstrate

COOK The Easy Way

With Steam Under Pressure

You not only save hours of hard, tiresome kitchen work, but many dollars in food and fuel. Cheap cuts of meat and things that require hours of cooking are made deliciously tender in ⅓ the time with ¼ the fuel in a

National Steam Pressure COOKER and CANNER

Steam pressure cooking is highly recommended by authorities, because all the flavors are brought out, making everything taste better—besides the food is more easily digested. No disagreeable odors can escape.

There is no investment more profitable for the home, as a National Steam Pressure Cooker pays for itself in a few weeks by saving money on every meal. Come in and let us show you this wonderful device-

MINUTES OF CITY TRUSTEES

The proceedings of the Board of City Trustees in session at the city hall last night, as taken from the official minutes compiled by J. C. Sherer, city clerk, are as follows:

The board assembled at 8 p. m., all members present. Minutes of the regular meeting of April 7, 1921, were read and approved.

Bids for Motor Trucks

In accordance with publications calling for bids to supply the city with a two-ton truck, the following bids were opened, read and publicly declared:

L. C. Orndorff, provisional bid at $1450, two-ton Federal truck.

Packer & White Auto company, Moreland truck, model 20-B, without body, 3,200; with garbage body, $3,-450.

H. G. Pendell, Denby motor truck, $2,400.

G. E. Clayton, Graham Bros. truck with Dodge Bros. power plant, $2,000.

Commercial Motor company, 1½ to 2-ton Republic truck, with chassis only, $2,636; with body equipment, $2,932.

Garford Motor Truck company, with chassis only, $3,061.65; with metal body, $3,639.87.

Tanner & Hall, Federal motor truck, $3,172.50; equipped with body, $3,734.50.

Mack International Motor Truck company, with chasis only, $3,-301.40; with additional equipment, $3,695.38; with dump body, $4,-238.45; with other equipment, $4,-632.43.

A. K. Tupper, Parret truck, capacity 1½ to 2 tons, $1,800.

Tanner & Hall, one model S. D. Federal motor truck; chassis with an electric starter, $3,990.25.

Referred to the city manager.

Maple Street Improvement Protests

The hearing of protests against the assessment for the improvement of Maple street was called at this time. A large number of property owners interested in the matter were present. Messrs. Knox, Field, Hancock, McClish, Mrs. Ella C. Witham and others addressed the board in regard to the matter. On motion of Trustee Bartlett the matter was continued for one week by the following roll call: Ayes, Bartlett, Lapham, Robinson, Stephenson; noes, Henry.

Sale of Franchise

In accordance with advertisement the sale of franchise for street railway over the route operated upon by Glendale & Montrose Railway company came up at this time, and bids were opened as follows: The bid of the Glendale & Montrose Railway company offering the sum of $100 for the franchise, accompanied by cash in the amount named. There being no other bids and no other bidders being present when the same were called for, a motion of Trustee Henry was adopted that the bid of the Glendale and Montrose Railway company be accepted by the following roll call: Ayes, Bartlett, Henry, Lapham, Robinson, Stephenson; noes, none.

Complaint As to Lexington Drive

A communication was presented from R. E. Olin complaining of the condition of the roadway on Lexington drive, from Jackson street to Glendale avenue. Mr. Olin was present and addressed the board in reference to the matter. On motion of Trustee Lapham it was referred to the city manager to report upon at the next meeting as to the cost of oiling the roadway on Lexington avenue between Jackson street and Glendale avenue.

Rates in Outside Territory

The city manager made a report in which he suggested rates to be charged for water and electricity in territory outside of the city limits of Glendale. The recommendations of the city manager were adopted and embodied in a resolution presented by Trustee Henry and adopted on roll call, all voting aye, as resolution No. 1181.

"A resolution fixing the rates to be charged for water and electricity supplied by the City of Glendale for water service connections made in territory outside the city limits." On motion the city attorney was requested to file a written opinion as to his interpretation of the resolution adopted February 24, 1921, establishing the policy of the board in regard to supplying water and electricity to outside territory.

Permit to Lay Pipe Line

A communication was presented from the Glendale Sanitarium and Hospital requesting permission to install 800 feet of 4-inch pipe from the sanitarium grounds at the corner of Wilson and Isabel streets up Wilson avenue to the alley just west of Glendale avenue to a point immediately west of lot 19, facing Glendale avenue, and lot 18, facing on Howard street, where the same may be connected with tank cars, the purpose of the pipe line being to carry oil from tank cars to tanks on the sanitarium property, placed underground. On motion of Trustee Henry, permit was granted, subject to the conditions as to the work and the expense set forth in the communication.

Permit for Public Garage

P. A. Pollock made a written application for a permit to establish and conduct a public garage at the southeast corner of Pacific and Broadway and the same was referred to the city manager.

Invitation to Attend Ceremonies

An invitation was read from Jesse E. Smith, committee chairman, extending an invitation to the Board of Trustees to be present in a body on Sunday, April 17, at 3 p. m., at the cornerstone ceremonies of the new Holy Family Catholic church. On motion, the invitation was accepted.

Application of Robert C. Goudie

On motion of Trustee Henry, the following resolution was adopted, all voting aye:

"That it appearing to this board after investigation of the application of Robert C. Goudie for permission to conduct a wrought iron and ornamental iron shop in the rear of 514 East Broadway, that the carrying on of said business at said location will not be a nuisance or interfere with the peace, health or safety of residents of the city of Glendale, and that said place will be a suitable place for said business, permission is hereby granted to Robert C. Goudie to carry on at said place for the period of six months, the business above mentioned subject to revocation should the said business become objectionable in the respects above mentioned."

Permit to Conduct a Public Garage

An application was read from Dodge service station for a permit to conduct a public garage at 111 West Harvard street. Referred to the city manager.

Application of W. E. Roake

W. E. Roake made application for permit to remove curb pump and tank from 1006 South Brand boulevard and to install same in front of 924 South Brand boulevard. On motion same was granted.

Grand View Water Pipe

A communication was read from W. H. Thompson in regard to correspondence between the city manager and himself asking for an explanation of the city's intentions in regard to laying of water pipe and the method to be adopted in paying for the same, in the Grand View district. Referred to the committee of the whole.

Communication From Horseshoers

Communication was read from the Horseshoe club requesting that the Board of Trustees order that a water tap be installed at the new location of the club on Broadway. On motion of Trustee Henry it was ordered that the request be complied with by roll call vote, all voting aye. Temporarily absent, Stephenson, Trustee Bartlett in the chair.

Rebate Asked for

Communication was read from C. E. McPeek asking for a rebate of $1 on duplicate plumbing permits paid for. Referred to city manager.

Permit for Filling Station

Charles A. Fischer made an application for a permit to maintain a filling station at 814 East Broadway. On motion of Trustee Henry it was ordered that a permit be granted.

Permit to Operate Garage

E. V. Jellison made application for a permit to operate a garage and salesroom at 1006 South Brand boulevard. Referred to the city manager.

Work by Private Contracts

J. C. Barrister made application for permit to do street work by private contract consisting of 138 feet of sidewalk on the west line of Hiawatha street, corner of Canada boulevard.

Fred A. Tarr made application for permit to do street work under private contract consisting of 177 feet of cement curb and sidewalk on the north side of Doran street, between Columbus and Pacific avenues. Both being approved by the street superintendent were on motion granted.

Application for Kennel License

Mrs. C. A. Webb made application for kennel license, location 1229 East Colorado street. On motion of Trustee Henry, granted.

Duplicate Warrant Issued

On motion of Trustee Bartlett a duplicate warrant was ordered to be issued to Susan R. Wood, amount $5, to replace warrant destroyed.

Demands

The demands were presented and referred to the finance committee, which reported back favorably and on motion of Trustee Robinson warrants were ordered to be issued in payment of the same by roll call vote, all voting aye.

Abandonment of Alley

Protests were called for against the abandonment of an alley west of the high school and the clerk reported that none had been received and no protestants were present.

Dorothy Drive

The city manager made a report in regard to the application of Frank W. Stanley for the acceptance by the city of Dorothy Drive and a certain alley recorded as lots A and P in the George W. Palmer tract. The communication stated that the street had not been formally accepted by the board on account of certificate title not being furnished at the time. He had further stated to Mr. Stanley that the deed can only be accepted when accompanied by a certificate of title and the guarantee in writing from parties interested and that they will pay the cost of the same. On motion of Trustee Robinson, action and recommendations of the city manager were approved.

Verdugo Canyon Water Company

The city manager presented a communication in which it was stated that the directors of the Verdugo Canyon Water compny are of the opinion that the gathering and distributing of the water of the canyon can be best accomplished by the city and that there would then be no further need for maintaining the organization of the Verdugo Canyon Water company. He recommended that the city representatives on the board of directors of the Verdugo Canyon Water company be instructed to vote in favor of the appointment of a board of three to appraise the property of the company; one member to be appointed by the directors of the Verdugo Canyon Water company, directors representing the city not voting, one member to be appointed by the Board of Trustees and these two to appoint a third. On motion of Trustee Lapham, recommendations of the city manager was adopted.

Change of Fire Districts

The city manager submitted a communication embodying his recommendations as to the revision of the fire districts. On motion the city attorney was instructed to prepare an ordinance in conformity with the same.

Plans for Grand View District

The city manager presented a map, a tentative street plan for Grand View district, which was on motion approved.

Opinion of City Attorney

In a written communication to the city manager, the city attorney expressed the opinion in regard to further extensions of the city's water and electric lines outside the city of Glendale, to the effect that the only thing the board can do is to declare that it will make no further extensions of such lines. In regard to an agreement between the Consolidated Water company and the Tropico Development company, he does not find that there is any obligation imposed therein, except to furnish water through the pipes to be laid as therein described which could not now be enforced against the city of Glendale.

Deed to Reservoir Lot

The city attorney presented a deed to the city on a lot in the Grand View district to be used for reservoir purposes and on motion of Trustee Henry it was ordered that same be accepted.

Application of Midway Gas Co.

In regard to the application of the Midway Gas company to the Railway commission for permission to in increase the rates. By motion of Trustee Henry the city attorney was instructed to appear in behalf of the City of Glendale and on motion of Trustee Robinson the following resolution was adopted:

"Resolved, that Resolution of Intention, No. 1124, passed by this board on the 10th day of September, 1920, declaring its intention to order the improvement of a portion of Sycamore Canyon road and all resolutions depending thereon are hereby rescinded, and all proceedings for the improvement of said Sycamore Canyon road under or by virtue of said resolution are hereby abandoned."

Favoring Amendment No. 41

On motion of Trustee Robinson a resolution was adopted favoring assembly constitutional amendment No. 41, the purpose of which is to permit municipalities and other political subdivision of the state to participate in providing works for water supply, power supply and flood control upon interstate streams, etc."

Drilling of Well Completed

The engineer of the public service department reported that the drilling of the well in accordance with contract with C. L. Cluggage has been completed and final payment under contract is now due. Referred to the city manager.

City Attorney's Opinion

In response to a request for his opinion in regard to application of Section 25 of the recently adopted charter, the city attorney submitted an opinion, the conclusion of which is as follows:

"I am, therefore, of the opinion that it is a violation of the charter for any person in the employ of the city to take any active part in securing, or to contribute money, toward the nomination or election of any candidate at the election above mentioned. This provision of the charter, no doubt, included all the appointive officers and employees of the city, but does not extend to the elective offices."

Providing for Bond Issue

An ordinance previously presented to the board was on motion of Trustee Henry, adopted all voting aye, as Ordinance No. 438, as follows:

"An ordinance providing for the issue of bonds of the City of Glendale in the sum of $100,000, for the acquisition, construction and completion of certain municipal improvements in connection with the water works and system of the City of Glendale."

Application for Permit

Application was presented from Ada Atkinson asking for a permit to care for two or three patients at her home, 455 West Wilson avenue. Referred to the city manager.

Long Beach Method

F. A. Marek who had been delegated to attend a meeting at Long Beach held under the auspices of the Automobile Association of Southern California, made a brief report in regard to same. Adjourned.

URGES STREET PLAN FOR GRAND VIEW SUBDIVISIONS

CITY MANAGER OF OPINION THOROUGHFARES SHOULD GENERALLY CONFORM

Tentative street plan for the Grand View district was submitted to the Board of City Trustees last night by T. W. Watson, city manager.

Because of the fact there is much activity in that district in the subdivision of acreage, the city manager declared a general street plan should be considered. The plan was outlined on a map, which was accompanied by the following communication from the city manager:

"We present herewith map of Grand View district setting forth tentative street plan for that section.

"There is considerable activity in that district at the present time in the subdivision of acreage. A number of maps will be presented shortly dedicating new streets and in order that such new streets as are accepted may conform to a general street plan for the whole district the map above referred to is submitted for your consideration with the recommendation that a public hearing before your board be held two weeks from this date the 28th instant, that we be authorized in the meantime to present this map and street plan to the Grand View Improvement association and the association and the people of that district be invited to submit their recommendations in regard to the same to your board at such hearing.

Proposes 50-Foot Streets

"The heavy black lines represent the present streets in the district. These streets are mostly sixty-feet wide. The dotted black lines represent future streets. These are mostly all planned as fifty-foot streets. All of these run at right angles to San Fernando Road excepting the proposed extension of Kenneth Road. Such a street plan would conform to the present property lines very well and permit of the subdivision of each block within the district in practically the same way leaving no short or blind streets as would be the case if some of the blocks were subdivided as proposed and others with the additional streets laid out parallel with San Fernando Road. This plan of subdivision would provide for large residence lots not less than 150 feet deep in most instances.

"The red lines indicate the position of the curbs and width of roadways. It is planned that the roadways on the sixty-foot streets shall be thirty feet in width. On the fifty-foot streets they are planned to be twenty-eight feet in width. It is also planned to round the outside corner of the corner lots at each street intersection whenever necessary to provide that there shall be a clear space inside the curb at each street intersection with a radius of not less than twenty-eight feet, providing a turning space at each of these intersections at least as wide as Broadway in the business section which is fifty-six feet."

School Teachers In Advance Of Soldiers

WASHINGTON — School teachers are more numerous than soldiers in Costa Rica, according to reports from that country in a bulletin issued today by the National Geographic Society here. The trouble between Panama and Costa Rica, which has stopped by offers from the United States to mediate, has brought the little Central American republic to the front page.

Although approximately equal in area to West Virginia, the great majority of the half million inhabitants of Costa Rica live on a mountain fringed plateau fifty miles square, in the center of the country. The regions bordering Nicaragua on the northwest and Panama on the southeast are almost uninhabitated except for Indians.

Practically all of the original Indian inhabitants of Costa Rica were exterminated when the country was taken by the Spanish and the population has, for that reason, remained predominantly European. This is in striking contrast to most Latin-American countries where the blood of Spaniard and Indian has mixed.

More than 10,000,000 bunches of bananas are exported yearly from the country, mostly to the United States, and this, together with coffee cultivation, has made Costa Rica very prosperous. A high percentage of the population are land owners, the farms being for the most part small in area. The central plateau has a climate of perpetual spring and is from 3,000 to 4,000 feet above the sea level.

GOOD FLOWER ARRANGEMENT

The essential point in all flower arrangement is that there shall be form and balance, yet that the composition shall not be perfectly symmetrical, as perfect symmetry is not found in nature. In order to attain the desired effect the flower stalks and branches used are carefully bent and twisted, and this work is done with such delicacy and dexterity as to conceal the fact that their forms have been altered by artificial means.

SHOWS BUTTERMILK EXCELLENT FOOD FOR CHICKENS

MICHAEL K. BOYER, PROMINENT ON POULTRY CULTURE, HAS ARTICLE ON SUBJECT

Buttermilk as a food! Its value now recognized.

The following article, which is contributed by the Poultrymen's Co-operative Milling Association of Los Angeles, is from no less an authority than Michael K. Boyer, who has long been recognized as one of the leading authorities on poultry culture in this country. Mr. Boyer writes from actual experience, having large and successful poultry yards which have been in operation as an experimental plant on Mr. Boyer's poultry farm for more than twenty-five years. The article:

"Buttermilk, either natural or condensed, can almost be classed as a perfect substitute for meat in the poultry ration provided the fowls and baby chicks would be able to consume a sufficient quantity to obtain the required amount of protein.

"Beef scraps, fish meal or other forms of meat carrying protein being more concentrated, are more available in furnishing quick protein to the fowl or animal than buttermilk, but where the buttermilk is fed the meat ingredient may be reduced to a large degree.

Tried Plan for Two Years

"In many cases as much as one-half can be eliminated and yet with the hen or chick having the same percentage, although there are many poultrymen who prefer giving the regular amount of meat which is contained in the chick mashes or the egg mashes in addition to the buttermilk so fed. I have tried this plan for more than two years now, and with most excellent results, both from my chicks, growing stock, and layers. A strong protein diet is pretty sure to wean a strong fertility in the eggs."

Here in southern California we find the best results are obtained by the intermittent feeding of the lactein or semi-solid buttermilk, either alternating every day or by feeding three days and then skipping three days.

Takes Laurels From Brow Of Betsy Ross

PHILADELPHIA—Do you doubt the story in our school history books which taught us that Betsy Ross designed the American Flag in 1776? Louis Barecroft Runk, an attorney and major of ordnance in the reserve corps, declares that the story is a fake. Runk, in a book he has just published, entitled "The Birth of Our Flag and Flag Etiquette," says Betsy Ross' story "rests solely on her own testimony, which is absolutely uncorroborated, and the best historians today consider it without historical basis."

"It is earnestly claimed by the descendants of Betsy Ross that on or about June 1, 1776, she was waited upon at her house, 239 Arch street, Philadelphia, by General Washington and an alleged committee of the Continental Congress; that they asked her to make a flag and that she promised to try; that they showed her a drawing whose proportions she criticised and that General Washington himself altered the drawing according to her suggestion," says the book.

"Betsy was a lady of lively imaginations and short memory as is shown by her ability to wed three times in ten years.

"Her story rests solely on her own testimony which is entirely uncorroborated and the best historians today consider it without any historical basis."

The book declares that Washington visited Philadelphia in 1776 for only two weeks and he nor the alleged Congressional committee or its records ever mentioned such a visit to Betsy Ross. Runk, in his book, cites several other incidents in history which he says substantiate his claim.

"It is regrettable if I overthrow any childhood traditions or local pride that any may have about Betsy Ross, but my duty is to give the important verdict of American historians," the author says.

One Every Minute? So This Indicates

NEW YORK—In the Hall of Gullibles, that long corridor of immortalization for men who have bought Eiffel towers, Brooklyn bridges and traffic rights to the Atlantic ocean, room was being made today for Gregory Pontasi, restauranteur.

Gregory complained to the police that he had paid $1,200 for a "large section" of the Grand Central terminal and that wheen he went home to get an additional $800 needed for completion of the deal the owner disappeared.

Followed the arrest of a young man who gave the name of Christopher Nicholas, accused by Pantasi of having been his adviser. The "owner" described as a tall man who smoked tipped cigarettes, is the object of a police search.

Woman In Asylum Refuses Big Estate

MILWAUKEE, Wis.—Mrs. Clara Powers has refused $100,000 bequeathed her by her brother. She has been an inmate of the hospital for the insane at Wauwatosa for ten years. Word was received by the hospital superintendent that when the will was probated an estate of $200,000 was listed.

Mrs. Powers has followed the stock markets through the newspapers while she has been at the hospital, attendants say.

"All rot," she said. "I never had a brother. I do not want money willed to me. I can make it in the market."

When money talks we never stop to criticize its grammar.

Cleaner Is Cleaned, He Informs Police

CHICAGO—George Kyre told the police he got "cleaned" while pressing H. C. Swanson's suit. George charges Swanson with frisking his overcoat while he was pressing the latter's suit.

REDWOODS IN ITALY

California redwoods are commonly found planted in every section of Italy, and they seem to develop very speedily under the conditions of the Italian climate, says the American Forestry Magazine. In Bologna recently a redwood tree over four feet in diameter was cut, which had been planted only about sixty years ago. Sections of this tree are now exhibited in the Museum of the Royal Forestry college at Florence.

Idaho Assumes Lead As Bachelor State

WASHINGTON—Idaho today took precedence as the first bachelor state of the nation, according to census bureau announcement.

Idaho had 118 males to each 100 females, the males numbering 233,919, and the females 197,947. The female population, however, in the last ten years increased at the rate of 41.3 per cent while the male population increased 26.1 per cent.

Idaho's foreign born population totals 38,963, as against 40,427 ten years ago.

GREAT NAME SURVIVES

Of all the possessions of this life fame is the noblest; when the body has sunk into the dust the great name still lives.

Do you recognize these signatures? They represent some of California's leading poultrymen, prominent and successful in their line.

On their ranches are 67,000 hens fed daily with PCA Dry Mash and other PCA products. These owners base their use of PCA feeds on practical experience—it has meant more profit for them.

Increase your success in the poultry business by taking advantage of the experience of others.

Use PCA Dry Mash—the economical, perfectly balanced ration for poultry. It increases egg production; assures uniform hatches; conditions stock; gives lasting benefits, and is acknowledged by poultrymen who feed over 622,000 hens as the most profitable mash obtainable. You can safely follow in the footsteps of these poultrymen who have had years of experience.

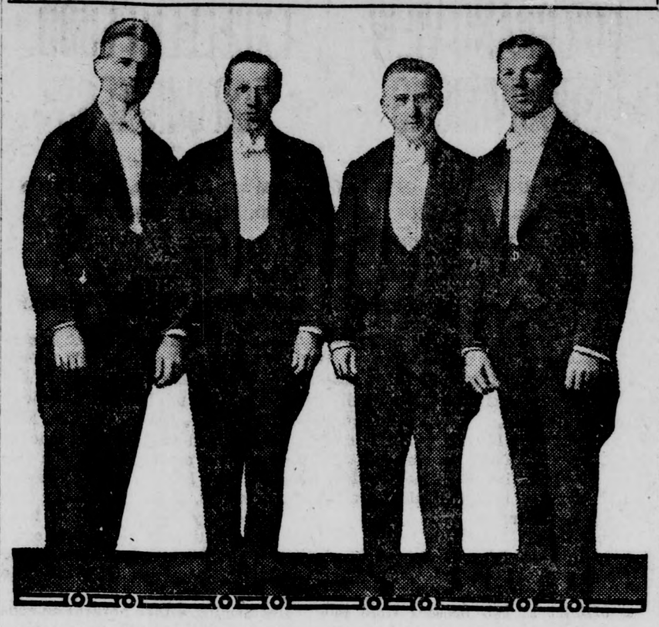
ORPHEUS FOUR AT CHAUTAUQUA



Lovers of male quartet singing—and all the world seems to love it—have a genuine "musical feast" coming to Glendale, May 11-17, in the two chautauqua concerts by the Orpheus Four on the third day. The Orpheus Four is generally acknowledged to be the foremost male quartet in America. It is the official quartet of the Orpheus club in Los Angeles and was the winner of the International Grand prize of $3,000 and the gold medal at the Panama-Pacific exposition. Probably no singing organization is in greater demand the country over than the Orpheus quartet. Every voice is a solo voice and their ensemble work is truly remarkable.

Man Dies Suddenly Digging Own Grave

HAZLETON, Pa. — Death from a stroke of paralysis prevented Frank Marterilli from completing the digging of his own grave. Friends said he often expressed fear he would not live much longer and two days before he died he began digging his grave in the Precious Blood cemetery. He was 74 years old.

Just now Europe had better stir up the soil instead of trouble.

First To Swim In Hudson Wins Girl

NEW YORK — Lillian Tibbets promised to marry the first of two dusky suitors to swim the Hudson. George Washington Taylor did it on the first warm day of spring. It's all settled.

LARGEST FOREST IS IN CANADA

Canada has the largest forest in the world. It is in the Labrador and Hudson Bay district, and is, roughly, 1000 by 1700 miles.

PROGRAM COMPLETE FOR CORNERSTONE LAYING SUNDAY

IMPRESSIVE SERVICES TO BE HELD IN BEHALF OF NEW CATHOLIC CHURCH

Solemn and impressive services are announced for the laying of the cornerstone of the new Church of the Holy Family, Elk avenue and Louise street, on Sunday, at 3 o'clock in the afternoon.

Following the blessing of the cornerstone and remarks by the Right Reverend Patrick Harnett, V. G., of Los Angeles, the assemblage will sing "Holy God."

Dwight W. Stephenson, president of the City Board of Trustees, will deliver a brief speech and John Stephen McGroarty, author of the Mission Play, will make the dedicatory address which undoubtedly will be luminous in historical lore of the Catholic church in California.

The program will close with the ensemble singing of "The Star Spangled Banner."

The Rev. Father J. S. O'Neill is pastor of the Church of the Holy Family which is constructing an edifice which will cost in the neighborhood of $60,000 when completed. It will be one of the most imposing structures of its kind in Glendale.

HISTORIC FOREST

The historical associations connected with the forest of Vallombrosa are very interesting. It was founded in the Twelfth century and given its name which, literally translated, means "Shadowed Valley" by Saint Giorvanni Gaulberto, says Nelson Courtlandt Brown in the American Forestry Magazine. It was founded as a monastery and retreat for one of the Benedictine order of monks, and from its early inception the monks took great pride in caring for, cutivating and replanting the forests.

FLEMISH PEASANTS DISGUSTED OVER LONG NEGLECT

PLENTY OF PROMISES GIVEN OF WAR COMPENSATIONS, BUT NO ACTION YET

BRUSSELS—The war torn field of Flanders have become the cradle of a separatist movement, similar in some respects to Sinn Feinism.

In this howling wilderness of shell torn battlefields, the Flemish peasants, a taciturn, undemonstrative race, have come to hate the name of government.

I was through the desolation of Flanders last week and talked with half a dozen small holders whose life work was snuffed out in the autumn of 1914 and who have not regained their feet yet, even though two years and more have elapsed since the work of reconstruction started.

These men explained the causes of present discontent.

"No end of officials come around and tell us they are going to see that we are fixed up," one Flemish peasant declared. "But we have been living more than a year in ramshackle huts that let in the rain and working all day trying to get crops out of field full of shell holes and spent bullets. Meanwhile we hold out our hand for war compensation that never comes."

Thousands of Flemings have left the country forever, disgusted with official dilatoriness. Those that remain do so for very love of the soil.

Numbers of government huts have been erected at a cost of something over $1600 each. But the peasants don't want huts; they want cottages or houses, such as they had before the war. Train service is unsatisfactory. Here in Belgium it is the custom for farmers to live in villages some miles from their fields. Wherefore they don't relish waiting two or three hours for trains to take them home from their day's work at "reconstruction."

Committees Selected For Chautauqua Work

With C. D. Lusby presiding, financial guarantors of the Ellison & White Chautauqua, which will be in Glendale May 11-17, as already told in The Evening News, had a meeting recently for the purpose of naming committees. John McGregor acted as secretary.

H. W. Wilson, H. S. Burn and Roy L. Kent will have charge of the advertising.

The ticket committee is composed of John McGregor, Blake Franklin and J. Herbert Smith.

T. A. Wright, L. W. Babcock and O. L. Kilborn will be in charge of the grounds. The tent will be located on the lot at Orange and Harvard.

The average citizen has some knowledge of lyceums and chautauquas, but he little realizes what they amount to in the life of this nation. Officially collected figures for the year 1920 present an astonishing total of effort put forth by these forces of popular education. There is no state in the union without lyceums and chautauquas. Between 10,000 and 15,000 lyceums were in being the last year, with an aggregate attendance of over ten millions, and 8581 chautauquas were reported, with an aggregate attendance of 35,449,750.

About one-third of the aggregate attendance in each case is said to represent different individuals. An invariable increase in business during 1920 is reported, and a greater increase in sight for the coming year. And what is of equal importance are reports of a steady demand to keep up and improve the quality of the instruction or edification given.

Broken Heart Really Possible, Is Claim

LONDON—Actual broken heart is a physiological possibility, according to Dr. J. Strickland Goodall, eminent heart specialist, in a lecture here.

He said rupture of the heart fibers might result from emotion, more often from joy than grief.

"The ordinary, every-day emotions of life produce more wear and tear on the heart than work," he added. "The heart is protected from overstrain in a variety of ways. Fainting, with the subsequent rest of the heart is one of these."

It did not take the American hen long to scramble the egg trust.

PAINTS HOUSE NOW HE WORKED UPON 11 YEARS AGO

LEXIE H. ALLISON BUILDS UP REPUTATION IN BUSINESS; MOVING HIS LOCATION

While years roll by, reputation stands—a truism which is used much in the east where from one generation to another the family name of tradesmen and artisans mean much to the community.

In California it is different, especially in the newer centers of population such as Glendale and it was, indeed, a pleasure today to hear Lexie H. Allison, painting contractor, tell of having a job at present on the first house he painted when he came here eleven years ago. It is the J. A. Fairchild place.

Incidentally, Mr. Allison is moving his headquarters from the R. L. Kent company offices to 105 West Broadway, quarters vacated today by the Chamber of Commerce. There he will install a complete line of paints and painters' supplies and plans to be open for business by Monday.

Mr. Allison has purchased a one-ton Ford truck to use for deliveries and in his contracting work.

LOCAL ELKS OPPOSE PASADENA SQUAD AT BOWLING

SECOND OF SERIES OF GAMES WILL BE HELD TONIGHT ON CROWN CITY ALLEYS

The second of the series of bowling matches to be played by Glendale lodge No. 1289, B. P. O. E., in this season's bowling tournament will take place tonight at Pasadena.

It is anticipated that a large delegation of fans will accompany the team.

The Glendale Elks won their first match last Friday on the local alleys by taking all three games from Redondo Beach.

The players who will represent No. 1289 at Pasadena tomorrow are Joe Fortunato, captain and manager; James Apffel, Claude Caswell, Fred Heusman and Fred Holborow.

Heusman hung up the high individual score in the match last Friday night and he is out to set a new mark tonight.

Pretty Teachers Are School System Asset

By CARL VICTOR LITTLE
United Press Staff Correspondent

CHICAGO—Ability of likely-looking teachers to smile book-learning into the unwilling minds of pupils is the salvation of the American public school system.

Edward J. Tobin, who is responsible for the education of Cook county children and who has 2000 teachers under him, confided this to the United Press today.

Tobin's desk was covered with resignations from teachers who are about to be pulled from pedagogy into matrimony by the call of spring.

"If I get them homely and stupid, then they are no good as teachers," he said. "If I get them good-looking and intelligent, then the right man comes along and marries them.

"I'm glad things are like that, though. Each passing beauty who teaches for a while and then gets married makes a wonderful contribution to our educational system. They put zip and zest into the school routine.

"Of course, they get married and put the same pep in some man's home, but then, along comes a new crop of girls with fascinating smiles and do the same thing.

"I don't want teachers who are love proof. Ability to fall in love once in a while—and out occasionally—makes them better suited to teach the young. It shows they are real red-blooded human beings.

"It's the attractive teachers who are the most successful."

GOODNESS INFLUENTIAL

No man or woman of the humblest sort can really be strong, gentle, pure and good without the world being better for it, without somebody being helped and comforted by the very existence of that goodness.

FARM SCHOOL BILL REPORTED OUT BY COMMITTEE

JOHN R. WHITE'S MEASURE IS AMENDED SO THAT INQUIRY RESULTS

Dispatches from Sacramento state that the assembly committee on universities has reported out John Robert White's bill for a farm school at Van Nuys, amended in accordance with an agreement of conflicting interests at the capital.

The amendment provides that a committee of three disinterested experts shall study all possible locations in Southern California and report to the next legislature.

An appropriation of $1000 for the expenses of such investigation was provided and the bill was therefore ordered out with a suggestion that it be rereferred to the committee on ways and means.

Assemblyman White of this city introduced the bill at the suggestion of a number of Chambers of Commerce of this valley. Some opposition to the measure developed, especially from northern legislaturers and from the farm school at Riverside.

Kansas City Beats Berlin, They Assert

By KARL D. GROAT
United Press Staff Correspondent

BERLIN—The Texas and Kansas cowboys who brought the American farmers' gift cows to Germany are glad to go back to the silent places where they breed strong, silent men.

Not that they've got a grudge on Germany, nor not that everybody didn't do his durndest to show these long, rangy chaps a good time, nor yet again that they're anti-German. No, none of these things, but they wearied of being "hobbled," so they let on today.

"We could certainly had a helluva time if left to ourselves. We did break out of corral a couple of times and range about," said one, while a colleague allowed: "Well, Berlin is quite a city, but I can't see as it's got much on Kansas City at that."

Whereupon another buddy chirped up, and allowed as how the Lone Star state was good enough for him.

This being hobbled was a case of being dragged about to see a lot of things they didn't want to see, and more particularly being forced to listen to extra long lectures on this, that and the other. It may be remarked in passing that when a German gets a chance to talk, he hasn't any idea of when his license expires. It might never expire were it not for the fact that somebody else also had a hankering to talk.

The cowboys had had a whole lot of being entertained (including being talked to death) and had just arrived at the station here, when the German leader of the expedition told them, a bit grandly, "Ah. you are now in the capital of Germany."

A long, lean cowboy from Kansas took one quick survey of some coal yards and industrial places at hand, and then drawled, "Well, Berlin is certainly a hell of a dump."

Then again, they were entertained by the American Chamber of Commerce with an afternoon dance and luncheon. A motherly American woman inquired of them whether they would care to dine first or dance a bit.

"Aw, let's eat," was the response. Only two of the chaps could dance anyway, but everybody certainly could eat.

But when you try to hobble a cowboy with an afternoon dance, a lot of movies and a lot of interminable lectures, he may perhaps have different notions about a country than if—well, let's say if he had a chance to gallop into a bar and say, "Gimme the same," or if he could peek into a wicked "Beauty Dance."

So it is that these cowboys—themselves of German extraction—are going back home with the firm impression that whatever Germany's other faults or virtues are, she certainly acts as a hobble when it comes to some live ones from the "wild and wooly west."

They haven't anything against Germany in particular, but they are firm believers in limitation of debate.

CLASS IN AMERICA

America is full of middle class folk who feel upper class, and lower class folk who feel middle class, but there are no lower class folk who feel lower class.

Unemployed To Get Work Upon Highways

By HERBERT W. WALKER
United Press Staff Correspondent

WASHINGTON—More than 300,000 unemployed will find work during the next year on road building projects, if states and counties push projects already approved and congress makes an additional appropriation of $100,000,000 as federal aid in highway improvement, officials of the department of agriculture estimated today.

The grand total cost of road building projects that have been approved and are awaiting completion is $622,000,000. In other words, this amount may be spent during the next year if the work is pushed. This includes amounts alloted by the federal government, the states, counties and cities.

Estimating that 60 per cent of the cost of road building is a labor charge, H. D. Fairbank, editor of the department of agriculture's road magazine, pointed out that this would make approximately $375,000,000 available for hiring unemployed. This amount, he estimated, would provide employment for 300,000 men the greater part of the year.

Between 20,000 and 25,000 miles of road can be built if all the money is expended.

A first-class, hard-surfaced highway can now be built for less than $30,000 a mile. Many states have discontinued work until the cost has dropped below the $30,000 mark.

LIFE CALLS FOR ONE'S BEST

To make a success of life you must be always at it with your eye on the job. Diversion will stimulate far more intensive effort, but the effort itself must have no diverting influence. "This one thing I do," says the apostle, and doing it he wins. Keep your eye on the ball and put your best into the game.

TAUGHT BY EXPERIENCE

Dr. Samuel Johnson, the man who first said: "Hell is paved with good intentions," was a man who endured the severest poverty and was always put off by those whom he asked for support, only to be told after he became famous that they had intended to help him.

Prohibition that prohibits might be termed a glass stopper.

Nevada To Execute Condemned By Gas

CARSON CITY, Nev.—A bill providing for the use of lethal gas in executing the death penalty in Nevada was signed here by Governor Boyle.

Nevada is the first state in the union to provide for the use of gas in inflicting capital punishment. Under the old law condemned prisoners could choose between hanging and shooting.

Under the present act the death warrant must designate the week in which the execution will take place. It must not be less than sixty nor more than ninety days from date of sentence. A suitable cell for inflicting the penalty will be provided, and the warden, a competent physician and six other persons at least 21 years old must witness the execution.

The bill gave no details concerning the cell, but it is understood it is intended to be airtight, fitted with windows of thick glass and equipped with valves which will regulate circulation of air.

It is planned to use the gas when the condemned man is asleep, the gas being forced into the cell through special valves.

APPRECIATE AMERICAN SHRUBS

One American shrub which has been received with great appreciation in England, and which grows well there, is the gorgeous flame azalea, called by the botanists azalea calendulaceum. This plant was sent to Europe many years ago, and perhaps is not grown so widely now as it has been in the past, owing to the great influx of rhododendron varieties.

NOTICE OF TRUSTEE'S SALE

WHEREAS, By deed of trust dated February 10, 1920, recorded March 1, 1920, in book 6986, page 344, of Deeds, Records of Los Angeles County, California, to which record reference is hereby made, Herbert H. Van Loan and Gertrude C. Van Loan, husband and wife, did grant and convey the property therein and hereinafter described to Leigh Bancroft, of Los Angeles, California, as Trustee to secure among other things the payment of two certain promissory notes executed by them, in favor of Thomas E. Atwater, or order, one of said notes being for the principal sum of two thousand dollars and the other for the principal sum of one thousand dollars, and each bearing interest as therein provided, and payable upon the terms and at the times therein particularly set forth, both of which notes are specifically set forth in said deed of trust, reference to which is hereby made for further description thereof; and,

WHEREAS, Said Thomas E. Atwater for a valuable consideration did thereafter, on the 23rd day of August, 1920, grant and assign each and both of said notes, together with all his right, title and interest in and to said deed of trust and the property conveyed thereby, to Mrs. W. S. Fleming, a single woman; and,

WHEREAS, On August 25, 1920, said Mrs. W. S. Fleming for a valuable consideration did grant and assign to Laura Bancroft each and both of said notes, together with all her right, title, and interest in and to said deed of trust and the real property conveyed thereby; and,

WHEREAS, Said Laura Bancroft is now the owner and holder of each and both of said promissory notes and is the owner and holder of all rights as beneficiary under said deed of trust securing payment thereof; and,

WHEREAS, There has been a default in the payment of the principal of each and both of said notes according to the terms thereof and of all interest due and payable thereon subsequent to August 10th, 1920, there being the total sum of $3113.75 now due and unpaid as principal and interest upon said notes; and,

WHEREAS, In accordance with the provisions of Section 2924 of the Civil Code of the State of California, said Laura Bancroft, the owner and holder of each and both of said notes and trust deed, did on August 25th, 1920, cause to be recorded in the office of the County Recorder of said Los Angeles County a notice of such default in the payment of principal and interest and of her election to cause the property described in said trust deed to be sold in accordance with the provisions thereof to satisfy said obligations and each of them, which notice of default and election to sell was duly recorded in book 7186, page 263, of Deeds, Records of Los Angeles County, California; and,

WHEREAS, Said trust deed provides that if there is a default in the payment of any of the sums secured thereby, then upon application of the holder of said note the trustee shall give notice and sell so much of the property as shall be necessary to satisfy the indebtedness secured thereby, together with such costs and expenses as may be incurred, as provided in said trust deed; and,

WHEREAS, Said Laura Bancroft by reason of the default in payments as stated has requested said Leigh Bancroft, as trustee, to give notice and to sell said property, or so much thereof as it shall be necessary to sell to pay all the indebtedness secured and expenses incurred necessary to the execution of said trust;

NOW, THEREFORE, Notice is hereby given that said Leigh Bancroft, by virtue of the authority vested in him as trustee, will sell at public auction to the highest bidder, for cash in gold coin, on the sixteenth day of April, 1921, at the hour of eleven o'clock A. M. of said day, at the western front entrance of the County Court House in the City of Los Angeles, County of Los Angeles, State of California, all the interests conveyed to him by said trust deed in and to the following described property, to-wit:

Lot Eight (8) in Block Six (6) of the Tropico Boulevard Tract, in the City of Glendale, County of Los Angeles, State of California, as per map of said Tract recorded in Book 4, page 95, of Maps, in the office of the County Recorder of said County;

Or so much thereof as shall be necessary to pay the total amount of the principal and interest of each and both of said promissory notes, together with all advances, expenses, charges and costs, amounting to the sum of $3,442.35, due and unpaid.

IN WITNESS WHEREOF, Said Trustee has hereunto set his hand this 24th day of March, 1921.

LEIGH BANCROFT,
Trustee.

SOVIET SYSTEM OF FEEDING RUSSIA SUCCESS, CLAIM

CENTRAL BUREAUS CREATED FOR DISTRIBUTION OF COUNTRY'S SUPPLIES

By PATRICK QUINLAN
Written for The United Press

NEW YORK, April 14.—The problem of feeding Russia has always been a complex one for several obvious reasons. First, the vast expanse of Russia and Siberia forms the largest single territorial unit in the world; secondly, there are about 170 million people to provide for in this immense stretch of land, reaching from Vladivostok to Petrograd and from the Arctic to the Caspian sea. Thus there is an area of approximately six and one-half million square miles to be supplied with foodstuffs. During the reign of the Czars, when industry and railroads were presumably in good condition, whole sections were frequently reduced to starvation, and underfeeding proved almost as universal as the national samovar.

It is no cause for wonder, then, that with the breakdown of the industrial system and the disintegration of the railways as a result of the revolution, the problem should be aggravated a thousandfold, not to mention the allied blockade and foreign wars. The soviet government has met this difficult problem in a sane and practical way. It created a central bureau for the equal distribution of the food supply on hand. This bureau is known as the Supreme Economic council and is assisted by local councils all over the country.

Directed by Economist

The Supreme Economic council is directed by Professor Milutov, the well-known economist, and this body has first preference in the avenues and channels of distribution, including transportation. Since peace has been signed with Poland, this department in the soviet government is considered the most important and in all matters is given the right of way. In this manner 170 million persons, with the exception of the small peasont farmer, who retains a sufficient quantity of wheat and oats to feed himself, are fed each day.

Every ounce of food is distributed by card. The single ration or "pioke," as it is called, consists of a pound and a half of bread and a portion of meat or fish and tea. The system has been perfected to such an extent that the ignorant peasant who, in many instances, might have doubled the efficiency of the soviet system, has become not only reconciled but, recollecting his poverty-stricken condition under the Czar's regime, is now convinced that the new form of government is equitable.

The headquarters of the Supreme Economic council is in Moscow and employs 25,000 persons in that city alone; the total number of employes all over the country is near the million mark. The council has adopted the simplest method of distribution possible. Surveys of the food on hand are made with the utmost exactness and then, when the fall harvest has been estimated, it is doled out on a basis of population all over the country.

System Succeeds, Claim

Making due allowance for the government's lack of experience and the demoralization of the arteries of distribution, the soviet government has succeeded admirably in feeding the population of Russia. What is notable about all this is the astonishing fact that never before in the long history of Russia has every element been fed. To be sure, the feeding is inadequate and is far from meeting the needs of the people; but there is no actual starvation.

Mothers with babes at the breast receive a special allowance, as do all children, for the soviet government holds that the future of Russia lies with the children. It is interesting to note that while the upper and middle classes in Germany are well fed, the laboring population is on the verge of starvation. In Russia there is absolutely no discrimination.

Certainly the system as I saw it at work is by no means free from minor abuses, as well as the intricacies of red tape. But on the whole it does the necessary work admirably.

Germans Planning Trip To Argentina

BUENOS AIRES — Argentina is preparing to welcome and assist a large number of German farmers who have declared their intention to come to the Southern American republic.

The Argentine consul at Hamburg, who is spending his vacation here, has taken the matter up with the foreign minister. He declares that many German farmers with capital have spoken to him of their wish to establish themselves in Argentine rural districts. Following a conference with the foreign minister, the minister of agriculture is preparing a vast colonization plan.

The foreign minister declared that farmers would be welcomed, but that city dwellers would not be encouraged to come unless they had sufficient funds to maintain themselves.

OPEN FOR INSPECTION

Beautiful New Bungalows——Unique in Appearance and Design

Built especially for those desiring something better. They are exact duplicates of the homes we have built and sold in the exclusive Hollywood and Wilshire districts. You can enjoy the same comfort and luxury here in Glendale for considerably less money. We submit for your approval the following:

514 North Jackson Street, 6-room Spanish, beautiful tile kitchen and bath, living room artistically decorated $8,500

518 North Jackson Street, 5 extra large rooms, Colonial, tile kitchen and bath containing shower, spacious living room, 13½x25 feet $8,500

518 North Kenwood Street, 7-room Colonial $7,500

These bungalows are without a doubt in a class by themselves and include beautiful lawns and shrubs. Terms can be arranged.

FISHER'S RED FRONT VARIETY STORE TO OPEN SATURDAY

LARGEST STOCK OF ITS KIND IN GLENDALE; PRICES ARE UNUSUALLY ATTRACTIVE

J. F. Fisher, who has recently come here from Stockton and established his home at 102 East Elk avenue, tomorrow opens what will be known as Fisher's Red Front Variety store at 212 East Broadway with the largest stock of its kind in the business history of Glendale.

Mr. Fisher is an experienced variety store man, having recently been president of a corporation which owned a chain of 5, 10 and 15-cent stores in Lodi, Modesto, Marysville and Watsonville in the central part of California. The store here will be operated on the order of a 5 and 10-cent store except there will be no limit on prices.

A complete line of kitchen utensils and household hardware in addition to toys, novelties, dry goods, notions and other articles will be found on the counters at Fisher's. An advertisement calling especial attention to the large stock at the store will be found in this issue of The Glendale Evening News.

Blind Man Invents Airplane That Hovers

CHICAGO—A blind man has invented a type of aircraft he say will revolutionize aerial warfare. He is Maxim Kaczmarek, a real estate dealer.

The sky-dreadnought is called an "aeroplane." By a circular arrangement of planes Kaczmarek said his craft can hover in the air like an eagle. This stabalizing property would give a bomber an opportunity to vastly increase the number of his hits.

Kacmarek declares his machine will rise almost perpendicularly and land in a spot nearly as small as its own base. Thus necessity of take off and landing fields are eliminated.

With the assistance of a boy mechanic the inventor built his machine on the roof of an office building. Instead of parallel planes, as in the ordinary heavier-than-air craft, Kaczmarek's model his six planes set in a circular position, like an old-fashioned side-wheeler on the Mississippi. The planes were placed on top of the machine. Joined in the middle they open and close like a book. The wings on the ascent of the wheel close and cut the air. They open up coming down.

"This enables one to gain the greatest power without slip of propeller and there is no drag of the plane at an angle," explained the inventor.

A model was tested out during the war, Kaczmarek said. While the trial made by an aviation lieutenant was not an entire success, the principle was demonstrated sound, it was said. Kaczmarek added that a five-horsepower motor in his machine is the equivalent of a fifty-horsepower motor in the ordinary airplane.

Reputation is a thing we have either to live down or live up to.

ORDINANCE NO. 436

AN ORDINANCE OF THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE ESTABLISHING THE GRADE ON MILFORD STREET, DORAN STREET, ALEXANDER STREET, CHESTER STREET, CONCORD STREET, WILSON AVENUE AND GARFIELD AVENUE, ALL WITHIN THE CITY OF GLENDALE.

THE BOARD OF TRUSTEES OF THE CITY OF GLENDALE DO ORDAIN AS FOLLOWS:

SECTION 1. That the grade of that portion of Milford Street from the westerly line of Pacific Avenue to the produced westerly line of Commercial Street, be and the same is hereby established as follows:

At the intersection of the westerly line of Pacific Avenue with the northerly and southerly curb lines of Milford Street the elevation of the grade shall be 515.50 and 515.00, respectively.

At the intersection of the easterly line of Kenilworth Avenue with the northerly and southerly curb lines of Milford Street the elevation of the grade shall be 504.50 and 504.20, respectively; and at the intersection of the westerly line of Kenilworth Avenue with the aforesaid curb lines the elevation of the grade shall be 503.90 and 503.60, respectively.

At a point in the southerly curb line of Milford Street four hundred twenty and three hundredths (420.03) feet westerly of the westerly line of Kenilworth Avenue the elevation of the grade shall be 495.10.

At a point in the southerly curb line of Milford Street three hundred sixty-two and ninety-five hundredths (362.95) feet easterly of the easterly line of Chester Street the elevation of the grade shall be 493.00.

At a point in the northerly curb line of Milford Street three hundred twenty-eight and sixty-nine hundredths (328.69) feet easterly of the easterly line of Chester Street the elevation of the grade shall be 492.10.

At a point in the southerly curb line of Milford Street three hundred two and thirty-four hundredths (302.34) feet easterly from the easterly line of Chester Street the elevation of the grade shall be 492.30.

At a point in the southerly curb line of Milford Street one hundred ninety-two and sixty-nine hundredths (192.69) feet easterly from the easterly line of Chester street the elevation of the grade shall be 490.00 and 490.20 on the northerly curb line opposite thereto.

At a point in the southerly curb line of Milford Street one hundred forty-two and sixty-nine hundredths (142.69) feet easterly from the easterly line of Chester Street the elevation of the grade shall be 489.10.

At a point in the southerly curb line of Milford Street forty-two and sixty-nine hundredths (42.69) feet easterly from the easterly line of Chester Street the elevation of the grade shall be 487.60.

At the intersection of the easterly line of that part of Chester Street lying south of Milford Street with the southerly curb line of Milford Street the elevation of the grade shall be 487.14.

At the intersection of the easterly line of that part of Chester Street lying south of Milford Street with the northerly curb line of Milford Street the elevation of the grade shall be 487.90.

At the intersection of the westerly line of that part of Chester Street lying north of Milford Street with the northerly curb line of Milford Street, the elevation of the grade shall be 487.30.

At the intersection of the westerly line of that part of Chester Street lying south of Milford Street with the southerly curb line of Milford Street the elevation of the grade shall be 486.50.

At the intersection of the easterly line of Concord Street with the northerly and southerly curb lines of Milford Street, the elevation of the grade shall be 482.80 and 482.00, respectively, and at the intersection of the westerly line of Concord Street with the aforesaid curb lines, the elevation of the grade shall be 482.00 and 481.40, respectively.

At the intersection of the easterly line of State Street with the northerly curb line of Milford Street the elevation of the grade shall be 477.50.

At the intersection of the southerly production of the westerly line of State Street with the northerly curb line of Milford Street the elevation of the grade shall be 476.60.

At the intersection of the easterly line of Commercial Street produced with the northerly and southerly curb lines of Milford Street, the elevation of the grade shall be 472.10 and 471.40, respectively, and at the intersection of the westerly line of Commercial Street produced with the aforesaid curb lines the elevation of the grade shall be 470.90 and 470.20 respectively.

That between the above designated points of elevation the grade shall conform to straight lines joining those points in the same side of Milford Street.

The grades are given in feet above the City Datum Plane, and refer to the top of curbs.

Section 2. That the grades of that portion of Doran Street from the produced westerly line of Kenilworth Avenue to the produced easterly line of Concord Street, be and the same is hereby established as follows:

At the intersection of the west line of Kenilworth Avenue produced with the southerly and northerly curb lines of Doran Street the elevation of the grade shall be 509.70 and 510.20, respectively.

At a point in the southerly curb line of Doran Street one hundred sixty and thirty-nine hundredths (160.39) feet west of the west line of Kenilworth Avenue produced the elevation of the grade shall be 506.90 and 507.70 on the northerly curb line opposite thereto.

At a point in the southerly curb line of Doran Street one hundred forty-eight and eighty-one hundredths (148.81) feet east of the east line of Chester Street produced the elevation of the grade shall be 495.00 and 495.20 on the northerly curb line opposite thereto.

At the intersection of the easterly line of Chester Street produced with the southerly and northerly curb lines of Doran Street the elevation of the grade shall be 492.40 and 492.10, respectively, and at the intersection of the westerly line of Chester Street produced with the aforesaid curb lines the elevation of the grade shall be 491.60 and 491.00, respectively.

At the intersection of the easterly line of Concord Street produced with the southerly and northerly curb lines of Doran Street the elevations of the grade shall be 486.00 and 486.00, respectively.

That between the above designated points of elevation the grade shall conform to straight lines joining those points on the same side of Doran Street.

The grades given are in feet above the city Datum Plane and refer to top of curb.

SECTION 3. That the grade of Alexander Street from the westerly line of Pacific Avenue to the easterly line of Chester Street, be and the same is hereby established as follows:

At the intersection of the west line of Pacific Avenue with the northerly and southerly curb lines of Alexander Street the elevation of the grade shall be 517.00 and 516.60, respectively.

At a point in the northerly curb line of Alexander Street four hundred and twenty feet (420.00) west of the west line of Pacific Avenue the elevation of the grade shall be 509.00 and 508.70 on the southerly curb line opposite thereto.

At the intersection of the east line of Kenilworth Avenue with the northerly and southerly curb lines of Alexander Street the elevation of the grade shall be 506.30 and 505.80, respectively, and at the intersection of the westerly line of Kenilworth Avenue with the northerly and southerly curb lines of Alexander Street the elevation of the grade shall be 505.70 and 505.30, respectively.

At a point in the northerly curb line of Alexander Street five hundred twenty and one one-hundredth (520.01) feet west of the west line of Kenilworth Avenue the elevation of the grade shall be 498.30 and 497.70 on the southerly curb line opposite thereto.

At a point in the northerly curb line of Alexander Street seven hundred twenty and one one-hundredth (720.01) feet west of the west line of Kenilworth Avenue, the elevation of the grade shall be 495.30 and 494.80 on the southerly curb line opposite thereto.

At the intersection of the easterly line of Chester Street with the northerly and southerly curb lines of Alexander Street the elevation of the grade shall be 491.80 and 491.50, respectively.

That between the above designated points of elevation the grade shall conform to straight lines joining those points in the same side of Alexander Street.

The grades are given in feet above the City Datum Plane, and refer to the top of curbs.

SECTION 4. That the grade of that portion of Chester Street from the southerly line of Doran Street to the northerly line of Milford Street, be and the same is hereby established as follows:

At the intersection of the south line of Doran Street with the easterly and westerly curb lines of Chester Street the elevation of the grade shall be 492.40 and 491.60 respectively.

At the intersection of the northerly line of Alexander Street and the easterly curb line of Chester Street the elevation of the grade shall be 491.80.

At a point on the westerly curb line of Chester Street two hundred and seventy (270) feet south of the south line of Doran Street the elevation of the grade shall be 490.00.

At the intersection of the southerly line of Alexander Street with the easterly curb line of Chester Street the elevation of the grade shall be 491.50.

At the intersection of the northerly line of Milford Street with the easterly and westerly curb lines of Chester Street the elevation of the grade shall be 487.90 and 487.30, respectively.

That between the above designated points of elevation the grade shall conform to straight lines joining those points in the same side of Chester Street.

The grades are given in feet above the City Datum Plane, and refer to the top of curbs.

SECTION 5. That the grade of that portion of Concord Street from the northerly line of Milford Street to the southerly line of Doran Street be and the same is hereby established as follows:

At the intersection of the northerly line of Milford Street with the westerly and easterly curb lines of Concord Street the elevation of the grade shall be 482.00 and 482.80, respectively.

At the intersection of the southerly line of Doran Street with the westerly and easterly curb lines of Concord Street the elevation of the grade shall be 485.40 and 486.00, respectively.

That between the above designated points of elevation the grade shall conform to straight lines joining those points on the same side of Concord Street.

The elevations of the grades given are in feet above the City Datum Plane and refer to top of curb.

SECTION 6. That the grade of that portion of Wilson Avenue from the easterly line of Tract No. 3399 as per Map recorded in Book 42, Page 14 of Maps, records of Los Angeles County, California, across said Tract No. 3399 to the westerly line of said Tract, be and the same is hereby established as follows:

At the intersection of the easterly line of said Tract No. 3399, with the northerly and southerly curb lines of Wilson Avenue the elevation of the grade shall be 493.70 and 493.30, respectively.

At the intersection of the westerly line of said Tract No. 3399, with the northerly and southerly curb lines of Wilson Avenue the elevation of the grade shall be 484.80 and 484.40, respectively.

That between the above designated points of elevation the grade shall conform to straight lines joining those points in the same side of Wilson Avenue.

The grades are given in feet above the City Datum Plane, and refer to the top of curbs.

SECTION 7. That the grades of that portion of Garfield Avenue from the westerly line of Glendale Avenue to the easterly line of Brand Boulevard be and the same is hereby established as follows:

At the intersection of the westerly line of Glendale Avenue with the northerly and southerly curb lines of Garfield Avenue, the elevation of the grades shall be 495.40 and 494.60, respectively.

At a point on the northerly curb line of Garfield Avenue two hundred eight (208) feet westerly of the westerly line of Glendale Avenue, the elevation of the grade shall be 493.30 and 492.40 on the southerly curb line opposite thereto.

At a point on the northerly curb line of Garfield Avenue two hundred two and fifty-five hundredths (202.55) feet easterly of the easterly line of Maryland Avenue the elevation of the grade shall be 492.20 and 491.20 on the southerly curb line opposite thereto.

At the intersection of the southerly production of the easterly line of Maryland Avenue with the northerly curb line of Garfield Avenue the elevation of the grade shall be 490.90.

At the intersection of the southerly production of the westerly line of Maryland Avenue with the northerly curb line of Garfield Avenue, the elevation of the grade shall be 490.90.

At a point on the southerly curb line of Garfield Avenue two hundred fifty-eight and twenty hundredths (258.20) feet easterly of the easterly line of Brand boulevard the elevation of the grade shall be 489.80.

At the intersection of the easterly line of Brand boulevard with the northerly and southerly curb lines of Garfield Avenue, the elevation of the grade shall be 489.20 and 488.60, respectively.

That between the above designated points of elevation the grade shall conform to straight lines joining those points on the same side of Garfield Avenue.

The grades are given in feet above the City Datum Plane and refer to top of curbs.

SECTION 8. The City Clerk shall certify to the passage of this Ordinance and shall cause the same to be published once in the Glendale Sentinel-Progress, a weekly newspaper of general circulation, published and circulated in said City of Glendale, and thereupon and thereafter the same shall be in full force and effect.

Adopted this 7th day of April, 1921.

DWIGHT W. STEPHENSON,
President of the Board of Trustees of the City of Glendale.
Attest: J. C. SHERER,
City Clerk of the City of Glendale.

State of California, County of Los Angeles, City of Glendale, ss.:

I, J. C. Sherer, City Clerk of the City of Glendale, do hereby certify that the foregoing Ordinance was duly adopted by the Board of Trustees of the City of Glendale, State of California, and signed by the President of said Board at a regular meeting thereof, held on the 7th day of April, 1921, by the following vote, to-wit:

Ayes—Bartlett, Henry, Robinson, Lapham, Stephenson.
Noes—None.
Absent—None.

J. C. SHERER,
City Clerk of the City of Glendale.

ATHLETIC CARNIVAL BY LOCAL GUARD BIG SUCCESS

ENTERTAINMENT VARIED AND VARIOUS EVENTS PROVE OF MUCH INTEREST

Variety of entertainment featured the National Guard Athletic carnival staged at the Glendale Union High School gymnasium last night by "Glendale's Own" Fifth Separate company. More than 100 young men attended, heard Henry Dryer and Gordon Kingsley sworn into the service, and witnessed the presentation of warrants to the following non-commissioned officers: First sergeant, George Grist; duty sergeant, W. Alexander; sergeants, A. P. Miller and Kenneth Wilde; corporals, B. Dennison, R. Weetman, J. Hill and K. Jackson. Several responded to the call for recruits by Captain Thomas D. Watson.

In the athletic numbers refereed by Lieutenant Normal C. Hayhurst, the amateurish efforts elicited much enthusiasm, while several experienced performers had to earn their applause.

Results of Matches

The opener was a wrestling match between Burdette Rockhold and William Strong. Names mean nothing for the former won the first and only throw in 3 minutes, 45 seconds.

Robert Stone and Sherwood Ball took to the mat next and the former went down to defeat in 3 minutes and 10 seconds.

Boyd Dennis and Alfred Bowman put on the padded gloves for several exhibition rounds and while they lambasted each other with a variety of haymakers that would have meant a knockout had they landed, they couldn't make 'em count and closed their set-to by dancing around dangling their gloves at each other.

Charlie Brice and Jim Hill wrestled without a decision and B. Dennison and R. Weetman provided a heavyweight, no-decision boxing bout in two rounds. Jim Hill and Kenneth Jackson staged a comedy bout in which a fake knockout featured.

Towel Fight Exciting

A towel fight by a quartet of the athletes, who were blindfolded, scattered the spectators to the four corners of the gymnasium.

The last event was a real wrestling match between Kenneth Wilde and Walter Dodge. It took the latter 20 minutes to throw his husky opponent, who had the advantage of weight. Victor Francy challenged Dodge for a match at the next program, which was accepted.

Between the acts a jazz orchestra composed of W. Meeker, saxophone; J. Hill, banjo; W. Tresslar, drums, and F. Van Hoorebeke, piano, provided music and Joe Rhodes sang several songs.

Several visiting officers were present.

Verne A. Nyman Named For Assistant Manager

Verne A. Nyman of 1117 Melrose avenue was recently appointed assistant manager of the Glendale Avenue branch of the Los Angeles Trust and Savings bank. Mr. Nyman graduated from the Glendale high school in 1918 and was immediately employed by their bank of Glendale to do clerical work. Later he was made teller and now assistant manager.

Watching Scoreboard

Yesterday's hero—Heilman. The Tiger outfielder pushed out a double in the ninth inning with the bases full and beat the White Sox 6 to 5.

Joe Wood's double in the sixth inning with two on the sacks put the Indians ahead and they beat the Browns, 12 to 9. Speaker used eighteen players.

Dutch Reuteur lasted only a round under a bombardment by the Braves and the Brooklyn Robins lost, 11 to 4.

Ping Bodie got his 1000th hit, but it didn't help the Yankees and they fell before the Athletics, 4 to 3. Babe went hitless.

Bohne's errors and Marquard's ineffectiveness made it easy for the Pirates to trim the Reds, 7 to 2.

Lee Meadows was mauled all over the yard by the Giants and the Phils were bumped to the tune of 10 to 2.

"Tumbledown" Shacht had the Red Sox at his mercy and the Senators found Pennock easy, winning by a count of 8 to 2.

Cards and the Cubs—rain.

Portland's Win Is Sensation In Sports

SAN FRANCISCO, April 15.—Portland's action of yesterday in ruining her perfect score of no victories by beating Sacramento 6 to 2, today was the sensation of the baseball world.

After losing nine straight games the Beavers turned on their oppressors and converted eight hits into six runs and a victory.

Oakland, playing her first game on the home lot, lost 12 to 5 to the Seals, giving the San Francisco gang a string of ten victories and no defeats. Los Angeles came from behind in the seventh inning and beat Vernon 4 to 2.

Seattle and Salt Lake had to postpone their game on account of rain.

Sid Ross Is Signed By Portland Beavers

SACRAMENTO, April 15. — Sid Ross, left-handed pitcher, was signed today by Manager Walter McCredie of the Portland Beavers.

Ross played last year in the Texas league and tried out with the Sacramento team this spring.

"Dutch" Rock, semi-pr sensation from Watsonville, Cal., has been signed by McCredie for a tryout.

Jack L. Howe Will Assume L. A. Position

The Van Fleet-Freear company of San Francisco have chosen Jack L. Howe, who has been with them for some time in the Bay Cities, to take charge of their Los Angeles offices. Mr. Howe is the son of William A. Howe, manager and lessee of the Glendale Theatre, and he expects to visit here until he is permanently located. He arrives on Monday, and will be a guest at the Howe home, 317 West Patterson avenue.

The Van Fleet-Freear company deals in insulation materials, tile, linoleums and similar products.

Many Things Happened To Rosa—In Picture

"What Happened to Rosa?"

This is the title of Mabel Normand's latest Goldwyn picture, and indeed plenty of things did happen to her. Among them—

Fate put her in the basement of a large department store under the cruel hand of a modern Simon Legree.

She fell in love with a prominent young physician.

She jumped overboard from a fast traveling river steamer, and swam—nobody knows how far—to shore.

She "snatched" the clothes off a backyard neighbor boy, after engaging in a hand-to-hand combat and falling down the coal chute en route.

She emerged like unto a lump of coal, only to be knocked down by a vegetable cart and carried in a "fainting" condition to "her doctor's" office.

Anyway, she got to see the doctor, "What Happened to Rosa" after that is a secret which the Palace Grand Theatre will reveal when it shows the picture today.

Larry Semon in his latest comedy, "The Hick," also is on the bill while the orchestra features "Three Twins," "Alpine Blues," "Rio Nights" and "Answer." Tomorrow "Hold Your Horses" is the feature.

Take Over Route, Collect, Then Quit

CHICAGO—Three armed men took over the meat delivery route of Gerald O'Halloran, driver for a packing company, made all the deliveries from the order book, collected $1000 and escaped. After completing the collections the bandits left their prisoner bound and gagged in his truck.

MAGIC SQUARE

The origin of the magic square is usually ascribed to the Chinese as the Yih King, an early classic, describes it. The magic square was known to the Hindoos and to the Arabian astrologers.

BLACK DOGS MOST EDIBLE

Among the Chinese a particular species of dog is reared for the table. The flesh of black dogs is preferred to that of animals of another color, on account of nutriment it is supposed to possess.

GREAT INCREASE IN BUSINESS VOLUME IS REPORTED

H. B. CHARLTON OF BENTLEY-SCHOENEMAN COMPANY IS INCREASING FORCE

"That our service department is appreciated is being proved daily," said H. D. Charlton of the Bentley-Schoeneman Lumber company architectural staff when discussing the great amount of building that is being done in Glendale at present. "We thought we were busy at this time last year," he said, "but the volume of our business was nothing compared to this year. An extra draughtsman employed to help us in a special emergency has been retained in the department."

Mr. Charlton reports that he has just finished plans for a house to be built at 317 West Lomita for Mrs. Laas and Miss Kalberlak, also one for Mrs. Elsie Lockwood at 319 West Lomita.

Plans Double Bungalow

Work is nearly completed on plans for a double bungalow for Mrs. Mary Ogden Ryan to be built on North Maryland. Mr. Charlton and his staff have twelve plans ahead of them at the present time, 2and have turned down others for lack of time.

Orders are being received from outside of Glendale Mr. Charlton states, and they are turning these jobs to Glendale contractors. The fact that people are coming here from other localities for such service is proof that it fills a need, Mr. Charlton thinks.

Western Country Is Featured In Picture

Those who love to be thrilled, who can be charmed by pure romance, who can laugh at clear, clean humor, should not fail to see the cyclonic Fox star Buck Jones in his latest picture, "Just Pals," which opened a two-day engagement at the Glendale Theatre yesterday.

Buck Jones is certain to add materially to his reputation by his clever protrayal of Bim, a "nobody" and the principal character in this stirring story of the western country—a story replete with thrills, romance and humor, and giving the star a role more interesting, perhaps, than any he has yet had.

At the first show tonight, Old Buckskin and his educated horse, "Headlight," will be an added attraction which should bring out all lovers of equine intelligence. Monty Banks in "His Dizzy Day," provides a lot of mirth and Madame Clement's program at the organ is always popular. Tomorrow Eileen Percy at her best is seen in "The Land of Jazz," a reel rib tickler.

If the average man was as jealous of his reputation as he is of his wife he would get along better.

Miss Maude Soper Is Surprised On Birthday

At the regular monthly meeting of the Young Woman's Foreign Missionary Society of the Casa Verdugo Methodist Episcopal church, which was held last night at the home of Miss Maude E. Soper, 1305 North Maryland avenue, little smiles and knowing winks, carefully kept from the hostess, passed between the girls. Why? Because the next day was Miss Soper's birthday, and by the side of the house, carefully brought on tiptoe, was the surprise, a lovely bouquet of flowers from each girl.

After the meeting and good-byes were said, the girls walked slowly down the street. The moment the front door was closed, very carefully they ran back, and suppressing their happy giggles picked up the flowers. On answering the door bell, Miss Soper was surprised and was greeted with cries of "Happy Birthday."

After she had expressed her astonishment, pleasure and appreciation, good-byes were once more said, and the girls departed, but not for long.

A birthday is never complete without a birthday cake. The angel food cake, baked by Mrs. J. W. Cotton, was very pretty with its pink rosebud decorations. This cake was placed in the center of a white cloth, and with each girl taking hold of this they bore the "second surprise" to the door. This time Miss Soper was speechless with surprise.

"I thought," she said, happiness shining from her eyes, "we had said good-bye once. They say we will never say good-bye in heaven. I think this must be heaven."

With a cordial and laughing invitation to "come again real soon, young ladies," the girls departed to their homes.

Miss Alta Lovell Is Honored With Shower

Miss Alta Lovell, soon to become the bride of H. A. Harrison of this city, was the guest of honor last night at a very delightful shower presided over by Miss Ruth Sanford and Mrs. J. A. Goldthwaite, sister of the bride, at the latter's home, 329 West California street, Glendale.

The affair was a surprise to Miss Lovell, each guest having been cautioned to keep the matter "mum." The rooms were very prettily decorated, the color scheme of pink and white being carried out in hearts of various sizes and streamers of crepe paper.

The dining room table was adorned with a very beautiful cake, on the center of which was a miniature bride and groom, and the favors consisted of folded hearts containing the photo of the happy couple, together with the date of their wedding, May 18th.

The evening was spent in games appropriate to the occasion, and the guest of honor was presented with many useful gifts for the kitchen, each guest having brought some article which the young bride will use in her new home now being built at 221 West Lomita avenue.

Among those present were Miss Alta Lovell, Mrs. H. I. Lovell, Mrs. Harrison, Mrs. Cora Dilley, Mrs. Dee Flanders, Mrs. Milton Stadt, Miss Alta Bowen, Miss Merle Bowen, Miss Anna Van Pelt, Miss Harriet Van Pelt, Miss Gladys Sharpe, Miss Margaret Sharpe, Miss Margaret McPherson, Miss Marion Grigg, Miss Cymbel Taylor, Miss Katherine Taylor, Miss Miriam Rich, Miss Hazel Myers, Miss Delia Young, Miss Alice Lookabaugh, Miss Helen Goldthwaite and the hostesses, Miss Ruth Sanford and Mrs. Jesse Goldthwaite and little daughter Barbara.

High School Cooking Classes Enlightened

Mrs. E. Gable, representing the Vinton company of Eau Claire, Wis., manufacturers of the National steam pressure cooker, today is entertaining the high school cooking classes at a demonstration in the Newton Electric company display rooms, 629 East Broadway.

Yesterday Mrs. Gable cooked and lectured to an interested group of Glendale women on the wonderful work done by the cooker, the principle of which is that steam under pressure raises the temperature without the possibility of scorching to such a degree that the toughest chicken can be prepared in the minimum time and be as tender as any.

In her demonstration work, Mrs. Gable uses a three to five-pound roast with two vegetables and cooks them in thirty-five minutes, thus having the whole dinner prepared over one flame by the use of the steam cooking process. She concludes her stay here on Saturday when the demonstration will be in conjunction with a cooked food sale by the women of the Presbyterian church which should attract a large crowd.

Mrs. M. A. Scarbrough Dies; Funeral Saturday

Mrs. Margaret Ann Scarbrough passed away at her residence, 2003 San Fernando road this morning. She was born August 24, 1863, and is survived by her husband, J. M. Scarbrough, and several sons, including J. H. Scarbrough of Glendale. Funeral services will be held from the parlors of the L. G. Scovern Undertaking company Saturday afternoon at 3 o'clock, interment at Grand View cemetery.

Have You Heard of the

SHALLOW OIL FIELDS

AT

Conejo near Camarillo Ventura County?

Over 40 wells producing commercial oil at a depth of from 62 to 200 feet.

Shallow wells are easily drilled at a small cost anywhere—from $700 to $1200 each.

The average production from these wells is around 30 barrels a day.

You would like to make money in the oil business.

Here is your opportunity to secure an interest in a 36-acre oil lease at Conejo, the oil it produces and the profits obtained from production

Your money is deposited in the bank and cannot be used until a commercial well has been drilled and is producing ten barrels or over per day.

You are therefore guaranteed a commercial well or your money refunded in 60 days without interest.

Let me furnish you the facts today for these interests are being taken up rapidly

No obligation on your part. Let us hear from you by mail or phone.

H. L. MILLER COMPANY
109 S. Brand Blvd. Glendale 853

Elbert Buck Of Eagle Rock Taken By Death

Elbert Buck passed away at his home, 159 Rowland street, Eagle Rock, April 13. He was born in Iowa, October 22, 1849, and is survived by a daughter, son and several grandchildren. Mr. Buck has been a resident of this vicinity for nine years. Funeral services will be held from the Little Church of the Flowers Saturday afternoon at 2 o'clock, L. G. Scovern Undertaking company in charge. Interment at Forest Lawn Cemetery.

Break Ground For New Valley Supply Building

Ground was broken yesterday for the construction of a new business office and storehouse for the Valley Supply company at 145 North Maryland avenue. V. M. Hollister is making a decided investment in connection with the building and when the plant is completed his concern will be enabled to meet demands of the community for stock feed, grain, hay, coal and similar commodities. The patronage of the Valley Supply comes from all over the San Fernando valley and it is one of the enterprising concerns which does much to advertise Glendale as a business center. The new building will be ready for occupancy early in June.

THIRST FATAL IN A WEEK

The average man will die for want of air in five minutes, for want of water in a week, for want of sleep in ten days.

JUD TUNKINS

"The trouble with a smart man," said Jud Tunkins, "is that he's liable to spend more time showin' off than he does workin'."

La Crescenta Notes

The school bond election will be held at the school house on April 27. The over-crowded condition of the school has been thoroughly discussed and it is hoped that these bonds will be carried unanimously.

Mr. and Mrs. Homer A. Baldridge left last week for a ten month's stay in Honolulu.

Many guests were present at the regular meeting of the La Crescenta Woman's Club on Wednesday. Mrs. Ann Davis Thomas gave an interesting talk on "The American Indian." The musical program was in charge of Miss Edith Mary Cecilia Ladd, the gifted pianist. Among the artists assisting were Mr. Lawrence Tibbetts, Miss Mary Boland, Mrs. Robert Rohne, Dr. Paul Wismer and little Margaret Buxton. Mrs. Charles Swartz was hostess. Mrs. S. Goddard poured, the tea table and auditorium being a profusion of spring flowers and greenery. The president, Mrs. C. E. Culberson, announced the next meeting would be for members only as there will be election of officers for the coming year.

Mr. and Mrs. A. W. Brown of Los Angeles avenue have as their house guest Miss Anna Russell of Toronto, Canada.

Charles Ray in "The Pinch Hitter," current events and a comedy entitled "Grab the Ghost," will be the attraction at the school auditorium, Friday night, April 22.

The La Crescenta Bridge club were delightfully entertained by Mr. and Mrs. J. Calmers of La Canada last Tuesday night.

Mr. and Mrs. Harold A. Smith, winter residents here from Chicago, with their children, Jessica and Billie, returned home last Wednesday. Mr. and Mrs. Smith were very popular in local society and will be greatly missed.

Mr. and Mrs. R. F. Ingole of Los Angeles are week-end guests of Mr. and Mrs. C. E. Culberson.

Mr. and Mrs. H. Cantor of Montrose have their mother, Mrs. Amy Huntley of Santa Barbara as house guest.

Mrs. J. S. Conlin spent the past week at Catalina.

Mrs. A. Leeper of Kansas City is the guest of Mr. and Mrs. F. H. Anderson, Montrose.

Mrs. H. S. Bissell, the treasurer of the La Crescenta Woman's club, invested $550 in Victory Bonds in the past week. At this rate the Woman's club will soon have a home of their own.

WHY OUR WELDING PAYS

First, because oxy-acetylene welding as we do it gives to a piece of metal the same or greater strength than it originally had. Second, because it is cheaper to mend the old than buy the new, if you can get the same service out of it. Is this not logical?

City To Clear Up Dorothy Drive Title

In order to clear up the dedication of Dorothy Drive, the Board of City Trustees last night, following the reading of a communication from T. W. Watson, city manager, ordered a certificate of title be secured. The city manager's letter follows:

"In regard to the application of Frank W. Stanley of 1240 Dorothy Drive requesting that the city of Glendale accept that street and a certain alley recorded as Lots A and B in the George W. Palmer tract, which was referred to us at your last meeting, we respectfully report as follows:

"We have informed Mr. Stanley that the deed dedicating Dorothy Drive to the city of Glendale was not formally accepted by the board by reason of the fact that a certificate of title was not furnished with the deed at the time of its presentation to the board. This deed was recorded as he stated in his note, but of course the fact that it was recorded does not make it official as far as the city of Glendale is concerned until it has been accepted by the Board of Trustees, and that it will be necessary before this deed can be accepted by the board that it be accompanied by a report from one of the title companies showing that the signatures thereto are sufficient to convey the property to the city for street purposes and upon receipt of a statement in writing from him and others interested guaranteeing to pay the cost of this report and that he will endeavor to get the additional signatures needed if any, we would recommend to your board that the report be ordered at once. We also informed Mr. Stanley that it might be possible for the city to cancel any taxes against these lots on account of the city of Glendale but that parties interested would be expected to pay county taxes thereon.

"We have a letter signed by F. W. Stanley and five other interested property holders, submitted herewith, in which they agree to pay such cost as may be necessary to secure an acceptable title to the city for street purposes. They also agree to assist in getting the necessary signatures.

"This is a matter that has caused the residents of that street and also the city considerable inconvenience during the last several years. We believe the city would be warranted in ordering the report as suggested and assisting these people to secure the complete dedication of Dorothy Drive for street purposes."

BOARD SETS PRICES ON WATER, LIGHTS OUTSIDE CITY

DETERMINES RATES THAT ARE TO BE CHARGED CONSUMERS ENTITLED TO SERVICE

(Continued From Page 1.)

following recommendations from T. W. Watson, city manager:

"Pursuant to your verbal instructions in committee last Thursday evening to prepare suggestive rates to be charged for water and electricity in territory outside of the city limits of Glendale now served by the water and light department of the city, we respectfully submit the following:

Water

"Minimum $1.50 including 800 cubic feet or less.

"All over 800 cubic feet 10 cents per 100 cubic feet.

"Minimum for 1-inch meter, $2, including 800 cubic feet or less.

"Minimum for 1½-inch meter, $2.50 including 800 cubic feet or less.

"Minimum for 2-inch meter $3 including 800 cubic feet or less.

"Minimum for 3-inch meter $3.50 including 800 cubic feet or less.

"These rates compare favorably with charges for water in adjacent territory.

Electricity

"In submitting a rate for your consideration to be charged for electricity in this territory we can think of no better plan than to adopt the rates for this district that the Southern California Edison company is authorized to charge in such territory outside of municipalities. These rates are as follows:

First 50 K. W. H. per meter per month, 9c per K. W. H.

"Next 200 K. W. H. per meter per month, 8c per K. W. H.

"Next 750 K. W. H. per meter per month, 7c per K. W. H.

"Next 1000 K. W. H. per meter per month, 6c per K. W. H.

"Next 3000 K. W. H. per meter per month, 5c per K. W. H.

"All over 5000 K. W. H. per meter per month, 4.5 cents per K. W. H.

"Minimum $1.25 per meter per month including 14 K. W. H.

Water Service Connections

"The following charges are based on the actual cost of installing the service including the meter and all other materials used:

"For each service connection including a ⅝-inch meter, $35.

"For each service connection including a ¾-inch meter, $41.50.

"For each service connection including a 1-inch meter, $55.

"For each service connection including a 1½-inch meter, $97.50.

"For each service connection including a 2-inch meter, $122.50.

"Attached hereto is resolution fixing rates to be charged for water and electricity and water service connections outside the city of Glendale. This has been prepared by City Attorney Hartley Shaw in accordance with the above mentioned rates."

TRUSTEES OUTLINE FIRE DISTRICTS FOR GLENDALE

VARIOUS CHANGES MADE BY BOARD; ORDINANCE COMES UP NEXT MEETING

(Continued From Page 1.)

Orange street between Colorado street and Wilson avenue. This shall include the entire area of all such lots and parcels of ground, provided, however, that the boundaries of said Fire District No. 1 shall not in any case extend a distance greater than 150 feet from the boundary lines of any of the aforementioned streets.

Fire District No. 2—Shall include all lots and parcels of land to a depth of 100 feet fronting on Brand boulevard between Acacia street and Palmer avenue.

Fire District No. 3—Shall include all lots and parcels of land to a depth of fifty feet fronting on Brand boulevard between Cypress street and San Fernando road.

Fire District No. 4.—Shall include all lots and parcels of land fronting on San Fernando road between Eulalia street and Los Feliz road and on the west side of Central avenue between Eulalia street and Los Feliz road. This shall include the full depth of all such lots.

Fire District No. 5—Shall include the front twenty feet of all lots and lands fronting on Brand boulevard between San Fernando road and the north city limits excepting therefrom all lots and lands included within Fire Districts Nos. 1, 2 and 3 as provided in this ordinance or as the same may be amended hereafter.

Fire District No. 6—Shall include the front twenty feet of all lots and parcels of land fronting on Broadway within the city limits of Glendale excepting therefrom all lots and parcels of land included within Fire District No. 1 as provided for in this ordinance or as the same may be hereafter amended.

Fire District No. 7—Shall include the front twenty feet of all lots and parcels of land fronting on Colorado street within the city limits of Glendale excepting therefrom all lots and parcels of land included within Fire District No. 1 as provided for in this ordinance or as the same may be hereafter amended.

Fire District No. 8.—Shall include the front twenty feet of all lots and parcels of land fronting on San Fernando road within the city limits of Glendale excepting therefrom such lots and parcels of land as are included in Fire District No. 4 as set forth in this ordinance or as the same may be hereafter amended, provided that no portion of the Southern Pacific Railway Company's right of way shall be included therein.

Fire District No. 9—Shall include the front twenty feet of all lots and parcels of land fronting on Glendale avenue between Colorado street and Lexington drive, excepting therefrom all lots and parcels of land that are included in Fire District No. 1 as provided for in this ordinance or as the same may be hereafter amended.

Fire District No. 10—Shall include all lots and parcels of land to a depth of twenty feet fronting on Los Feliz road between Brand boulevard and the Southern Pacific tracks, excepting therefrom all lots and parcels of land included in Fire Districts Nos. 3 and 4 as provided for in this ordinance or as may be hereafter amended.

Fire District No. 11—Shall include the front twenty feet of all lots fronting on Pacific avenue between San Fernando road and Broadway.

Fire District No. 12—Shall include the front twenty feet of all lots fronting on the east side of Maryland avenue between Harvard street and Wilson avenue.

Fire District No. 13—Shall include the front twenty feet of all lots fronting on Wilson avenue between Orange street and Sycamore Canyon road, excepting therefrom all lots and parcels of land included in Fire District No. 1 as provided for in this ordinance or as the same may be hereafter amended.

FISHER'S VARIETY STORE, 212 EAST BROADWAY

GLENDALE — CALIFORNIA

City Employes Can't Raise Campaign Fund

In view of the fact that the city charter recently adopted by the people of Glendale is about to be ratified by the state legislature and, therefore, is practically in effect, it is a misdemeanor for any person in the employ of the city to take any active part in securing or contributing money toward the nomination or election of any candidate at the coming municipal election.

This fact was brought out at a meeting of the Board of City Trustees last night when a letter addressed to T. W. Watson, city manager, was read from Hartley Shaw, city attorney. The letter follows in full:

"I have your letter inquiring whether Sections 25 to 28 of Article 22 of the new charter of the city of Glendale will be in effect and applicable to the coming campaign for election of the new city officers under the charter. Section 28 above mentioned is as follows:

"'For the purpose of electing all elective officers, and all purposes connected therewith, this charter shall take effect from the time of its approval by the legislature. For all other purposes it shall take effect on July 5, 1921.'

"The approval of the legislature to this charter will no doubt be given in a few days and it thereupon becomes effective for all purposes connected with the election which is to be held June 28. This means that all provisions of the charter relating to or connected with said election are to take immediate effect. Section 25 is one of these sections and provides as follows:

"'Neither the city manager nor any person in the employ of the city shall take active part in securing, or shall contribute money toward the nomination or election of any candidate for a municipal office.'

"Section 27 makes the violation of any provision of the charter a misdemeanor and is, of course, applicable to a violation of Section 25, hence would also be effective at once as far as Section 25 is concerned.

"I am, therefore, of the opinion that it is a violation of the charter for any person in the employ of the city to take any active part in securing, or to contribute money, toward the nomination or election of any candidate at the election above mentioned. This provision of the charter, no doubt, includes all the appointive officers and employes of the city, but does not extend to the elective officers."

If the Japanese ever reach the point where they are able to back up their nerve, they will be invincible.

Knights Of Pythias Will Hold Memorial

At the meeting of Glendale Lodge No. 331, Knights of Pythias, this week the page rank was exemplified by the officers. There was a good attendance of members present, as well as a number of visitors from several states. Encouraging prospects were reported relative to the membership campaign. The regular monthly visit to Van Nuys lodge was made last night, at which time the old Pluto degrees were put on by a Los Angeles team.

The annual Knights of Pythias memorial services will be held Sunday, June 5, at Forest Lawn cemetery. There will be 26 lodges of Los Angeles county participate in these services.

Union C. E. Meeting Next Sunday Afternoon

By GLEN and DALE

Many have been praying and planning for the John Brown evangelistic services and now they are almost here. The decorating committee put the finishing touches to the interior today. The big building was completed last week with the generous help of the men of the community. Glen and Dale are glad that they will be the first to use this new tabernacle, corner of Harvard and Orange, at 5:45 Sunday afternoon.

It will be a union meeting of the Baptist Young People's union, Epworth Leagues and Christian Endeavor societies of Glendale. An interesting time is planned by Howard Brown, chairman of young people's work. Tabernacle meeting at 7:30.

Who will win in Glen and Dale's race for C. E. State Convention preregistration? Five days of inspiration for a dollar, June 25-29.

Sisterhood Class Of Church Gives Party

The Sisterhood class of the First Methodist Episcopal Sunday school enjoyed a party in the social hall of the church yesterday afternoon. The hostesses were Mesdames A. L. Turner, Whitcomb, E. T. Wright and E. H. Olmsted. This was the regular monthly social and business meeting of the class. There were about 35 members present.

Rev. C. E. Olmsted, son of Mrs. E. H. Olmsted, and who is a missionary, being home at the present time on a furlough, gave an interesting account of the work in Burma. Little Edith Goss, who is only about three years old, sang two songs.

After the social hour Mrs. A. F. Torrey, teacher of the class, presented Mrs. C. S. Geiger, class president, on behalf of the class with a beautiful fern. Mrs. Geiger's birthday is today. Mrs. Mark Russell, who is the class poetess, read an original poem to Mrs. Geiger. Dr. C. M. Crist was present and congratulated the class on its splendid work. Decorations were of spring flowers. Refreshments were served at the close of the afternoon.

AND THAT IS NOT MUCH

Jud Tunkins says there have been some specimens of propaganda that you couldn't attach any more importance to than you could to a valentine.

ARABS LONG ON HANDSHAKING

When friendly Arabs meet their salutation is almost grotesque, for they shake hands seven or eight times, and sometimes repeatedly kiss each other.
